TOWN of COHASSET

ANNUAL REPORT

FOR THE YEAR ENDING
DECEMBER 31, 1993

COVER PHOTO--

The newly renovated Lightkeeper's House on Government Island was re-occupied in 1993. The original structure (circa 1855) was a barn which was then converted into an Assistant Lightkeeper's House.

GENERAL GOVERNMENT

BOARD OF SELECTMEN
HIGHLIGHTS OF 1993

JANUARY - Town of Cohasset receives award from the Massachusetts Municipal Association for its recycling efforts.
Winterfest '93 celebration combined with Drug Free Weekend.
Selectmen form committee to establish Town Emergency 9-1-1 system.

FEBRUARY -Officer Carmelo Conte retires after forty-two years' service on Police force.
Brian W. Noonan appointed Police Chief.

MARCH - Firefighters' contracts covering a five-year period approved at Town Meeting.
Town Meeting approves purchase of Hagerty waterfront property.
Harbor dredging project completed.
Anonymous donor presents outright gift of $22,700 to Town and establishes Trust fund of $225,000, to help offset cost of fire engine purchase approved by vote of Town Meeting.

APRIL - Ice rescue sled donated by Cohasset Firemen's Benefit Association, Inc., for use of Fire Department.
Award of bid naming Management Development Institute, Inc. consultant for Regional Fire District study.
Work completed on Doane Street culvert replacement.
Re-election of Selectmen Martha Gjesteby and Jane Goedecke.

MAY - Fire Chief's proposed ambulance policy approved completing a revamping of the ambulance billing system commenced in 1992.
Paul Pratt Memorial Library wins first place in Mass. Library Association Public Relations Awards Contest.
World War II section of Veterans' Memorial at Harbor readied for Memorial Day.

JUNE - Irving E. Gadow, Jr., resigns as Harbor Master, effective August 15.
"Harborfest" successfully holds second annual observance June 18-19-20 in conjunction with South Shore Art Festival.
John R. Nadeau resigns as Chief of Fire Department.
Fifteen year Addendum to SEMASS Service Agreement with Town removal of trash approved @$57 per ton for first year.
James Brook Walkway from Town Parking Lot to South Main Street completed under auspices of Village Renaissance.

JULY - Government Island scheduled for National Register review as historic district.

AUGUST- Computer Study Committee submits final report.
Notice received of pending gift to defray cost of purchase of Hagerty property: $50,000 from Cohasset Conservation Trust and $50,000 from anonymous donor.
Jerusalem Road/Forest Avenue storm damage repairs completed.
Community Center holds old-fashioned Firemen's Muster.
Shawn E. Kelly appointed Harbor Master.
Regional Fire Study completed.
Clifford J. Dickson resigns from Call Fire Force after fifty-one years' service.

SEPTEMBER - Painting of Old Town Hall resumed and completed.
Drug and Alcohol Committee receives 1993 Drug Fighter of the Year award from Governor's Alliance Against Drugs.
Bates Building project completed with the sale and occupation of two condominium units.
Appointment of Roger W. Lincoln as Fire Chief.
Selectmen adopt resolution on regional fire and emergency medical services.

OCTOBER - Town Meeting approves funding for labor contracts covering all School Department collective bargaining groups.
Joint purchase of van for disabled with Town of Hingham approved by Town Meeting

NOVEMBER - Several generous donations received to decorate Christmas tree on Town Common.
Ongoing renovations at Minot Lightkeepers residence near completion as first apartment is occupied.

DECEMBER - Cohasset students top state, nation in Scholastic Aptitude Testing.
Cohasset Community Center welcomes First Night '94.

BOARD OF SELECTMEN

1993 saw a number of community projects completed, from private, non-profit ventures like Habitat for Humanity's restoration of the Bates building for affordable housing, and the occupation of the newly renovated apartments at the Lightkeepers House, to state-funded Town projects, such as dredging of the Harbor and the culvert replacement on Doane Street.

The process of restoring storm-damaged Town-owned property continued, with riprap repairs to protect Jerusalem Road. It is anticipated that storm-related repairs will be completed in 1994.

The past year saw changes in administration of the Police, Fire and Harbor Departments. At the same time, signs of stability are evident, with settlement of several labor contracts during the year.

A major state initiative, the Education Reform Act, requires a rearrangement of duties, responsibilities, and priorities of students, parents, teachers, administrators, School Committee members, and taxpayers. Although many of the ideas have merit, the Act takes away from Town Meeting the authority to set local priorities to allocate revenue between schools, public safety, public works, and other local government programs. It remains to be seen if the state will step in and meet its moral, if not legal, responsibilities to fund mandated costs under this legislation.

This past year also saw the Town take a major step to acquire Harborfront property, the Cohasset Colonials/Hagerty real estate, which will help improve Harbor access for future generations of Cohasset residents. The Board extends its heartfelt thanks to those citizens, who not only provided financial support in the form of gifts and taxes, but to those who volunteered their time to generate grassroots support for the project, and continue to help plan for its future use.

The economy, both regionally and nationally, slowly started an upward turn in 1993. Renovations of office space in the downtown area, coupled with the apparent interest of two additional major supermarket chains in locating here, may be evidence that this trend

has reached Cohasset. The Town must be prepared to deal constructively with the opportunities and challenges presented by what could become a new real estate boom in Cohasset, particularly along Route 3-A.

In the months to come, the Town will continue to progress towards establishing E-9-1-1 emergency telecommunications, continue the regional fire and emergency medical service initiative, and with the Town's concurrence, build a centralized and modern public works facility.

The Selectmen take this opportunity to extend thanks to all boards, committees, volunteers, donors, civic and service organizations, and Town employees for their continued dedication and hard work, as well as to the Norfolk County Engineering Department for its ongoing contributions in providing surveying, traffic engineering, and design services.

BOARD OF SELECTMEN:
Martha K. Gjesteby, *Chairman*
Michael H. Sullivan, *Vice-Chairman*
Merle S. Brown
Jane O. Goedecke
Rocco F. Laugelle

ANNUAL TOWN MEETING & SPECIAL TOWN MEETING
MARCH 27, 1993

At the Annual Town Meeting and the Special Town Meeting held on March 27, 1993 the following articles were contained in the warrant and acted upon as recorded.

Checkers previously appointed for entrance by the Selectmen and sworn in by the Town Clerk, Marion L. Douglas at 9:30 A.M. were Deborah Protulis, Janice Rosano, Kathleen Rhodes, and Jacquelyn McGuire.

Tellers appointed by the Moderator, George L. Marlette, III were Constance Jones, Louise Flint, Raymond Buckley and Arthur Lehr.

The Moderator called the meeting to order at 10:20 A.M. and a quorum of 100 was present at that time. He had examined the call of the meeting and found it to be in order. The registered voters checked in on the voting list totaled 279 voters. Rev. Clifford Cutler from St. Stephens Church gave the invocation.

Members of the Boy Scout Troop 28 and 38 called the pledge of allegiance. The Moderator then recognized Representative Mary Jeanette Murray.

ARTICLE 1. To act upon the reports of the various Town Officers as printed in the Annual Town Report for 1992.

MOVED: That the reports of the various Town Officers as printed in the Annual Town Report for 1992, be accepted.

MOTION is adopted unanimously.

ARTICLE 2. To hear the reports of any Committee heretofore chosen and act thereon.

MOVED; That the reports of any Committee heretofore chosen be heard and accepted and that the Committee continue in office.

MOTION is adopted unanimously.

Reports were heard from the Public Safety Committee, Mosquito Control Committee, and the Cohasset Lightkeepers.

Moved: by Town Counsel, Richard Henderson that the Annual Town Meeting be recessed pending consideration of the Special Town Meeting Articles and that the Special Town Meeting Articles be considered at this time.

MOTION is adopted unanimously.

Special Town Meeting

ARTICLE 1. To see if the Town will transfer from available funds, or borrow the sum of Eight Thousand Three Hundred and no/100 ($8,300.00) Dollars to provide all career and call firefighters and all police officers with Hepatitis B Immunization and Antibody response follow up testing.

MOVED: That the sum of Eight Thousand Three Hundred and no/100 ($8,300.00) Dollars be transferred from Surplus Revenue to be used to provide all career and call firefighters and all police officers with Hepatitis B Immunization and antibody response follow up testing.

MOTION is adopted unanimously.

ARTICLE 2. To see if the Town will transfer from available funds, or borrow a sum of money to supplement the overtime expenditure account for the Fire Department.

MOVED; That the sum of Nineteen Thousand Six Hundred Seventy-eight and no/100 ($19,678.00) Dollars be transferred from Surplus Revenue to supplement the overtime expenditure account for the Fire Department.

MOTION is adopted unanimously.

ARTICLE 3. To see if the Town will transfer from available funds, or borrow the sum of Twenty-eight Thousand Four Hundred Fifty-seven and no/100 ($28,457.00) Dollars to be used to supplement overtime and operational expenditures incurred by various municipal departments and to fund repairs to Town owned facilities, all as the result of the December, 1992 storm, which expenditures shall be according to the following schedule:

Fire Dept. Salaries	$4,361.00
Fire Dept. Expenditures	145.00
Police Dept. Salaries	1,078.00
Wire Dept. Salaries	628.00
Harbor Dept. Salaries	168.00
Highway Dept. Salaries	1,784.00
Tree & Park Salaries	1,952.00
School Dept. Salaries	273.00
School Dept. Expense	1,205.00
	$11,594.00
Repairs	
Wadleigh Park Cleanup	1,123.00
Marsh Cleanup - Atlantic Ave.	4,602.00
Sandy Beach Wall & Parking Lot Repair	7,431.00
Parker Avenue Boat Ramp	3,707.00
	$16,863.00

MOVED; That the sum of Twenty-eight Thousand Four Hundred Fifty-seven and no/100 ($28,457.00) Dollars be transferred from Surplus Revenue to supplement overtime and operational expenditures incurred by various municipal departments and to fund repairs to Town owned facilities, all as the result of the December, 1992 storm, which expenditures shall be according to the following schedule:

Fire Dept. Salaries	$4,361.00
Fire Dept. Expense	145.00
Police Dept. Salaries	1,078.00
Wire Dept. Salaries	628.00
Harbor Dept. Salaries	168.00
Highway Dept. Salaries	1,784.00
Tree & Park Salaries	1,952.00

School Dept. Expense	1,205.00
	$11,594.00
Repairs	
Wadleigh Park Cleanup	1,123.00
Marsh Cleanup - Atlantic Ave.	4,602.00
Sandy Beach Wall & Parking Lot Repair	7,431.00
Parker Avenue Boat Ramp	3,707.00
	$16,863.00

MOTION is adopted unanimously.

Resolution offered by John Bryant.

RESOLUTION

Whereas, Merle Brown has faithfully and actively served as a member of the Cohasset Conservation Commission, for more than a decade, serving as chairman, for more than six of those years; and

Whereas, he tirelessly volunteers, his time and energy, to serve on innumerable committees, in order to maintain, and improve the quality of life, for all of the residents of Cohasset; and

Whereas, the results of his efforts are a lasting reminder, to each of us, of the principle, that we can all make a difference, if we "think globally and act locally;"

Now therefore, be it resolved, that the citizens of Cohasset, assembled on this twenty-seventh day of March, 1993, hereby record, our deep thanks and appreciation, for his many years of volunteer service, to our town.

RESOLUTION is adopted unanimously.

ARTICLE 4. To see if the Town will transfer a sum of money from surplus revenue to the reserve account.

MOVED: That the sum of Forty Thousand and no/100 ($40,000.00) Dollars be transferred from Surplus Revenue to supplement the reserve account.

MOTION is adopted unanimously.

ARTICLE 5. To see if the Town will transfer from available funds a sum of money to restripe and install signs at the Sandy Beach parking lot; the sum so transferred to be expended under the direction of the Highway Surveyor

MOVED; That the sum of One Thousand and no/100 ($1,000.00) Dollars be transferred from Surplus Revenue for the purpose of restriping and installing signs at the Sandy Beach parking lot. The sum so transferred to be expended under the direction of the Highway Surveyor.

MOTION is adopted unanimously.

ARTICLE 6. To see if the Town will transfer from available funds, or borrow a sum of money for the purpose of preserving the public health by repairing a defective septic system.

MOVED: That this Article be indefinitely postponed.

MOTION is adopted unanimously.

ARTICLE 7. To see if the Town will appropriate the sum of One Thousand One Hundred Seventy-two and 62/100 ($1,172.62) Dollars from amounts appropriated under Article 5 of the Warrant for the June 1, 1992 Special Town Meeting and Article 43 of the 1992 Annual Town Meeting; and transfer the sum so appropriated to Thomas E. Markert to reimburse him for money contributed but not required relating to the construction of a drainage system on Linden Circle.

MOVED: That the sum of One Thousand One Hundred Seventy-two and 62/100 ($1,172.62) Dollars be appropriated from sums appropriated under Article 5 of the Warrant for the June 1, 1992 Special Town Meeting and Article 43 of the 1992 Annual Town Meeting and transferred to Thomas E. Markert to reimburse him for money contributed but not required in connection with the construction of a drainage system on Linden Circle.

MOTION is adopted unanimously.

ARTICLE 8. To see if the Town will transfer from available funds or borrow the sum of Sixty-eight Thousand Six Hundred Ninety-seven and no/100($68,697.00) Dollars to supplement funds appropriated under Article 5 of the Warrant for the April 4, 1992 Special Town Meeting to be used to install rip-rap walls and for related repairs on Atlantic Avenue north of the Sandy Beach parking lot and Jerusalem Road at Black Rock Beach.

MOVED: That the sum of Sixty-eight Thousand Six Hundred Ninety-seven and no/100(S68,697.00) Dollars be transferred from Surplus Revenue to supplement funds appropriated under Article 5 of the Warrant for the April 4, 1992 Special Town Meeting which sums shall be used to install rip-rap walls and for related repairs on Atlantic Avenue north of the Sandy Beach parking lot and Jerusalem Road at Black Rock Beach.

MOTION is adopted unanimously.

Resolution offered by Jane Goedecke

To see if the Town of Cohasset will instruct its representatives to the General Court to support an amendment to the FY'94 state budget to guarantee that cities and towns receive the full S47 million growth in lottery revenues.

Resolution is adopted unanimously.

Resolution offered by Merle Brown.

To see if the Town of Cohasset will instruct its representative to the General Court to support legislation filed by the Massachusetts Municipal Association that would establish in state law a Local Roads Fund in order to ensure a fair and predictable share of state gas tax collections for distribution to cities and towns for use on local roads.

Resolution is adopted unanimously.

It was moved by Town Counsel, Richard Henderson that the Special Town Meeting be adjourned and that the remaining Articles of the Annual Town meeting be considered at this time.

MOTION adopted unanimously.

Annual Town Meeting

ARTICLE 3. To see if the Town will vote to fix salaries and compensation of Elected Officers, and to see what sums the Town will vote to raise and appropriate from available funds or otherwise, for the payment of the salaries and compensation, expense, equipment and outlays, capital and otherwise, of the several Town Departments for the ensuing fiscal year.

APPENDIX B

CAPITAL OUTLAY ALLOTMENTS

Other than Schools

NOTE: The term Capital Outlay covers an expenditure of $200.00 or more for equipment or of $500.00 or more for the reconstruction or establishment of a physical betterment, the useful life of which is expected to exceed two years. Separate line appropriations are shown for these items since they represent special and specific allotments and are intended to be expended solely for the purpose indicated.

APPENDIX B

CAPITAL OUTLAY ALLOTMENTS

Other than Schools

NOTE: The term Capital Outlay covers an expenditure of $200.00 or more for equipment or of $500.00 or more for the reconstruction or establishment of a physical betterment, the useful life of which is expected to exceed two years. Separate line appropriations are shown for these items since they represent special and specific allotments and are intended to be expended solely for the purpose indicated.

		$6,195.00

MOTION is adopted unanimously.

ARTICLE 6. To see if the Town will vote to assume liability in the manner provided in Massachusetts General Laws, Chapter 91, Section 29 for all damages that may be incurred by work to be performed by the Department of Public Works of the Commonwealth of Massachusetts for improvements, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters and foreshores along public beaches, in accordance with Massachusetts General Laws, Chapter 91, Section 11, and authorize the Selectmen to execute a bond of indemnity therefor to the Commonwealth of Massachusetts.

MOVED: That the Town assume liability in the manner provided in Massachusetts General Laws, Chapter 91, Section 29 for all damages that may be incurred by work to be performed by the Department of Public Works of the Commonwealth of Massachusetts for improvements, development, maintenance and protection of tidal and non-tidal rivers, and streams, harbors, tidewaters and foreshores along public beaches, in accordance with Massachusetts General Laws, Chapter 91, Section 11 and the Selectmen be and hereby are authorized to execute a bond of indemnity therefor to the Commonwealth of Massachusetts.

MOTION is adopted unanimously.

ARTICLE 7. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the Revenue of the fiscal year beginning July 1, 1993, in accordance with the provisions of Massachusetts General Laws, Chapter 44, Section 4 and to issue a note or notes therefor payable within one year, and to renew any note or notes as may be.

MOVED: That the Town Treasurer, with the approval of the Board of Selectmen, be authorized to borrow money from time to time in anticipation of the Revenue of the fiscal year beginning July 1, 1993, in accordance with the provisions of Massachusetts General Laws, Chapter 44, Section 4 and to issue a note or notes as may be given for any period less than one year in accordance with Massachusetts General Laws, Chapter 4, Section 17.

MOTION is adopted unanimously.

ARTICLE 8. To see if the town will raise and appropriate, transfer from available funds or borrow the sum of Thirteen Thousand and no/100 ($13,000.00) Dollars for the purpose of holding a Household Hazardous Waste Collection Day.

MOVED: That the sum of Thirteen Thousand and no/100 ($13,000.00) Dollars be raised and appropriated from taxation for the purpose of holding a Household Hazardous Waste Collection Day.

Hand count taken. Yes 107; No 65; MOTION is adopted.

ARTICLE 9. To see if the Town will raise and appropriate, transfer from available funds or borrow the sum of Nine Thousand and no/100 ($9,000.00) Dollars for the purpose of purchasing a vertical baler for recycling corrugated cardboard and plastic at the Cedar Street Recycling Transfer Facility.

MOVED: That the sum of Nine Thousand and no/100 ($9,000.00) Dollars be transferred from the Stabilization Fund for the purpose of purchasing a vertical baler for recycling corrugated cardboard and plastic at the Cedar Street Recycling Transfer Facility.

A 2/3 vote is required. MOTION is adopted unanimously.

ARTICLE 10. To see if the Town will authorize the Board of Selectmen pursuant to Massachusetts General Laws Chapter 40, Section 4A, to enter into an agreement with the Town of Scituate relating to Animal Shelter. The form of agreement to be signed is on file with the office of the Board of Selectmen and marked "Agreement-Article 40."

MOVED: That the Board of Selectmen be and hereby are authorized and directed in accordance with Massachusetts General Laws, Chapter 40, Section 4A, to enter into an agreement with the Town of Scituate relating to Animal Shelter.

MOTION is adopted unanimously.

ARTICLE 11. To see if the Town will vote to accept a Collective Bargaining Agreement by and between the Town of Cohasset and the Konohasset Clerical and Custodial Association, and to see what sum of money the Town will raise and appropriate, or transfer from available funds to effectuate the Agreement.

MOVED: That this Article be indefinitely postponed.

MOTION is adopted unanimously.

ARTICLE 12. To see if the Town will vote to accept a Collective Bargaining Agreement by and between the Town of Cohasset and the Cohasset Permanent Firefighters, Local 2804, and to see what sum of money the Town will raise and appropriate, or transfer from available funds, to effectuate the Agreement.

MOVED: That a Collective Bargaining Agreement by and between the Town of Cohasset and the Cohasset Permanent Firefighters, Local 2804 be and it hereby is accepted; and that the sum of Two Hundred Sixty-one Thousand Nine Hundred Eighty-five and no/100 ($261,985.00) Dollars be transferred from Surplus Revenue to be allocated as follows: the sum of One Hundred Sixty-one Thousand Four Hundred Sixty-eight and no/100 ($161,468.00) Dollars for salary and wages for the 1993 fiscal year; the sum of Two Thousand Four Hundred and no/100 ($2,400.00) Dollars for expenses for the

1993 fiscal year; the sum of Ninety-five Thousand Seven Hundred Seventeen and no/100 ($95,717.00) Dollars for salaries and wages for the 1994 fiscal year; and the sum of Two Thousand Four Hundred and no/100 ($2,400.00) Dollars for expenses for the 1994 fiscal year to fund the Agreement.

A secret ballot was ordered by the Moderator.

Yes 183; No 19. MOTION is adopted.

ARTICLE 13. To see if the Town will raise and appropriate, transfer from available funds, or borrow a sum of money for the purpose of paying the unpaid bills itemized below and relating to prior fiscal years.

MOVED: That this Article be indefinitely postponed.

MOTION is adopted unanimously.

ARTICLE 14. To see if the Town will vote to accept the provisions of Massachusetts General Laws, Chapter 41, Section 41B authorizing the Town Treasurer to pay salaries, wages, or other compensation to deposit accounts, and to see what sum of money the Town will raise and appropriate, transfer from available funds, or borrow to implement the foregoing section.

MOVED: That this Article be indefinitely postponed.

MOTION is adopted unanimously.

ARTICLE 15. To see if the Town will vote to amend Article XIV of the General Bylaws, WETLANDS PROTECTION, by deleting the first paragraph of Section 5: Notice and Hearings, and substituting the following first paragraph:

At the time any person ("Petitioner") files a Notice of Intent or Request for Determination of Applicability with the Commission, the Petitioner shall give written notice thereof, by certified mail or hand delivery, to all abutters as they appear on the most recent applicable tax list, notwithstanding that the land of any such owner is located in another town. An abutter as used in this section shall mean (a) one whose property immediately adjoins the property which is the subject of the application ("Subject Property"), (b) one whose property is directly across any public or private way from the Subject Property, or (c) one whose property is within 100 feet directly across a water body from the Subject Property, measured from the low water line of the Subject Property. If the proposed project involves a water dependent use, including but not limited to a dock, float, or dredging, an abutter shall also include anyone whose property adjoins the water body and is within 300 feet of the Subject Property measured from the low water line. Any project in navigable waters shall also require notice to the Harbormaster. If the Subject Property is abutted, as herein defined, at any point by another property also owned by the Petitioner, then the definition of abutter shall include property owners abutting the intervening property of the Petitioner. Such notice shall consist of a copy of the application, a copy of all plans or a statement as to where plans may be examined, and the date and time of the public hearing. When a Petitioner is other than the owner or person acting on behalf of the owner, notice shall be sent by the Commission to the owner(s) as well as the person making the request. Notice to abutters shall not be required on applications for Emergency Certification.

MOVED: "At the time any person ("Petitioner") files a Notice of Intent or Request for Determination of Applicability with the Commission, the Petitioner shall give written notice thereof, by certified mail or hand delivery, to all abutters as they appear on the most recent applicable tax list, notwithstanding that the land of any such owner is located in another town. An abutter as used in this section shall mean (a) one whose property

immediately adjoins the property which is the subject of the application ("Subject Property"), (b) one whose property is directly across any public or private way from the Subject Property, or (c) one whose property is within 100 feet directly across a water body from the Subject Property, measured from the low water line of the Subject Property. If the proposed project involves a water dependent use, including but not limited to a dock, float, or dredging, an abutter shall also include anyone whose property adjoins the water body and is within 300 feet of the Subject Property measured from the low water line. If the Subject Property is abutted, as herein defined, at any point by another property also owned by the Petitioner, then the definition of abutter shall include property owners abutting the intervening property of the Petitioner. Such notice shall consist of a copy of the application, a copy of all plans or a statement as to where plans may be examined, and the date and time of the public hearing. When a Petitioner is other than the owner or person acting on behalf of the owner, notice shall be sent by the Commission to the owner(s) as well as the person making the request. Notice to abutters shall not be required on applications for Emergency Certification.

MOTION is adopted unanimously.

ARTICLE 16. To see if the Town will vote to transfer the sum of Four Thousand Seven Hundred Fourteen and no/10 ($4,714.00) Dollars from the account designated "Reserve for appropriation for Wetlands Protection" to the Conservation Commission, and authorize the Conservation Commission to expend the funds so transferred solely for the performance of its duties associated with the administering of the Wetland Protection Act.

MOVED: That the sum of Four Thousand Seven Hundred Fourteen and no/100 ($4,714.00) Dollars be transferred from the account designated "Reserve for appropriation for Wetlands Protection" to the Conservation Commission to be used solely for the performance of the Conservation Commission's duties associated with the administering of the Wetlands Protection Act.

MOTION is adopted unanimously.

ARTICLE 17. To see if the Town will authorize the Board of Selectmen to acquire permanent easements from four abutters to the Doane Street culvert which easements will permit the Town or delegated agent to enter upon the premises for the purpose of repair and replacing, improving or otherwise maintaining the Doane Street culvert and the rip-rap adjacent thereto; and further to see what sum of money the Town will raise and appropriate, transfer from available funds or borrow to effectuate the acquisition of such easements. The Easements to be acquired will be approximately fifteen (15) feet in width on the four properties which currently abut the Doane Street Culvert, more specifically shown as the area indicated in red on parcel 33, 34, 3, and 5 on a copy of a portion of the assessors map 56 on file with the Town Clerk and marked "Plan - Article 17".

MOVED: That the Board of Selectmen be and it hereby is authorized to acquire permanent easements from four abutters to the Doane Street culvert for the purpose of permitting the Town or its designated agent to enter upon the four lots for the purpose of repair and replacing improving or otherwise maintaining the Doane Street culvert and the rip-rap adjacent thereto. The easements to be acquired will be approximately fifteen (15) feet in width on the four properties which currently abut the Doane Street culvert, more specifically shown as the area indicated in red on parcel 33, 34, 3 and 5 on a copy of a portion of the Assessors Map 56 on file with the Town Clerk and marked "Plan - Article

17"; the easements shall be in such form as the Selectmen in their sole discretion shall deem necessary and appropriate and their acceptance and recording of such easements to be conclusive evidence of their authority to do so.

A 2/3 vote is required. Hand count taken. Yes 61; No 62. MOTION is defeated.

ARTICLE 18. To see if the Town will vote to raise and appropriate, or transfer from available funds or borrow the sum of Ten Thousand and no/100 ($10,000.00) dollars to repair a section of Border Street adjacent to the Chart House parking lot

MOVED: That the sum of Ten Thousand and no/100 Dollars ($10,000.00) be raised and appropriated from taxation for the purpose of repairing a section of Border Street adjacent to the Chart House parking lot.

MOTION is adopted unanimously.

ARTICLE 19. To see if the Town will vote to amend Article VII of the General Bylaws, **SAFETY AND PUBLIC ORDER** by deleting Paragraph (c) of section 26 and substituting in its place the following paragraphs c (i) and c (ii);

(c) (i) Parking permits for residents shall be valid for the following areas: Sandy Beach Parking Lot, Government Island, and Edwin A. Young Parking Lot. Sandy Beach Association Parking Permits shall be valid only for Sandy Beach Parking Lot and non-resident Government Island Parking Permit shall be valid only or Government Island Parking Areas.

(ii) Notwithstanding any other provisions of this Section 26 to the contrary, parking permits shall not be required for vehicles parking in the Edwin A. Young Parking Area on Government Island during events at the Cohasset Lightkeepers House nor by licensed vendors at Sandy Beach while transacting business in the beach parking lot.

MOVED: That Article VII of the General Bylaws, **SAFETY AND PUBLIC ORDER** be amended by deleting Paragraph(c)of Section26 and substituting in its place the following subparagraphs C(i)and c(ii).

(c) (i) Parking permits for residents shall be valid for the following areas: Sandy Beach Parking Lot, Government Island, and Edwin A. Young Parking Lot. Sandy Beach Association Parking Permits shall be valid only for Sandy Beach Parking Lot and non-resident Government Island Parking Permit shall be valid only or Government Island Parking Areas.

(ii) Notwithstanding any other provisions of this Section 26 to the contrary, parking permits shall not be required for vehicles parking in the Edwin A. Young Parking Area on Government Island during events at the Cohasset Lightkeepers House nor by licensed vendors at Sandy Beach while transacting business in the beach parking lot.

MOTION is adopted unanimously.

ARTICLE 20. To see if the Town will authorize the Board of Selectmen to acquire an easement from John F. Hubbard, Trustees et al, of the Cohasset Conservation Commission Trust, Clarie F. Read et al., Trustees and other owners of record,if any, over portions of plots 114 and 115 shown on Town of Cohasset Assessors Map 10 for the purpose of installing and maintaining rip-rap in an area eroded by recent ocean storms; and further to see what sum of money the Town will raise and appropriate, transfer from available funds, or borrow to effectuate the acquisition of such easements. The specific easement is shown on a plan entitled "Proposed easement on Jerusalem Road, Cohasset, Mass." prepared by Civil Designs, Inc. dated September 16, 1992 a copy of which is on file with the office of the Town Clerk and endorsed "Plan - Article 20."

MOVED: That the Board of Selectmen be and it hereby is authorized to acquire an easement from John F. Hubbard, Trustees et al, of the Cohasset Conservation Commission Trust, Clarie F. Read et al., Trustees and other owners of record,if any, over portions of plots 114 and 115 shown on Town of Cohasset Assessors Map 10 for the purpose of installing and maintaining rip-rap in an area eroded by recent ocean storms; the easement is shown on a plan entitled "Proposed easement on Jerusalem Road, Cohasset, Mass." prepared by Civil Designs, Inc. dated September 16, 1992 a copy of which is on file with the office of the Town Clerk and endorsed "Plan - Article 20"; the easement shall be in such form as the Selectmen in their sole discretion shall deem necessary and appropriate and their acceptance and recording of such easement to be conclusive evidence of their authority to do so.

A 2/3 vote is required.

MOTION is adopted unanimously.

ARTICLE 21. To see if the Town will vote to authorize the Board of Selectmen to acquire an easement over a portion of plot 24 and land of Sandy Beach Association, Inc. as they are shown on Town of Cohasset Assessors Map 22 for the purpose of constructing and maintaining a wall on Atlantic Avenue at the intersection of Nichols Road to prevent further storm damage to Town owned property from ocean storms;and further to see what sum of money the Town will raise and appropriate, transfer from available funds, or borrow to effectuate the acquisition of such easement. The area in which the easement is to be acquired is shown on a portion of Assessors Map22 on file with the office of the Town Clerk and endorsed "Plan - Article 21".

MOVED: That the Board of Selectmen be and it hereby is authorized to acquire an easement over a portion of plot 24 and land of Sandy Beach Association, Inc. as they are shown on Town of Cohasset Assessors Map 22 for the purpose of constructing and maintaining a wall on Atlantic Avenue at the intersection of Nichols Road to prevent further storm damage to Town owned property from ocean storms; the easement is shown on a portion of Assessors Map22 on file with the Office of the Town Clerk and endorsed "Plan-Article 21"; the easement to be in such form as the Selectmen in their sole discretion shall deem necessary and appropriate and their acceptance and recording of such easement to be conclusive evidence of their authority to do so.

MOTION is adopted unanimously.

At this time Jane Goedecke, Chairwoman of the Board of Selectmen introduced the new police chief, Brian Noonan.

ARTICLE 22. To see if the town will vote to amend Section 12 - **ADMINISTRATION AND ENFORCEMENT** of the Zoning Bylaws by striking therefrom Paragraph 12.2.11 and substituting in its place the following paragraph 12.2.11:

12.2.11 A penalty not to exceed One Hundred and no/100 ($100.00) dollars per violation shall be assessed, and each twenty-four (24) hour period such violation continues shall constitute a separate offense.

MOVED: That Section 12 - ADMINISTRATION AND ENFORCE,MENT of the Zoning Bylaws be amended by striking therefrom Paragraph 12.2.11 and substituting in its place the following Paragraph 12.2.11:

12.2.11 A penalty not to exceed One Hundered and no/100 ($100.00) Dollars per violation shall be assessed, and each twenty-four (24) hour period such violation continues shall constitute a separate offense.

A 2/3 vote is required.

MOTION is adopted unanimously.

ARTICLE 23. To see if the Town will vote to amend Section 5 - AREA REGULATIONS of the Zoning Bylaws by striking therefrom Paragraph 5.2.8 and substituting in its place the following Paragraph 5.2.8

5.2.8 No open storage or display of goods, products, materials or equipment, no gasoline pump, vending machine, or similar commercial device and no structure except for a perimeter wall, fence or similar enclosure not in excess of six (6) feet in height, or flag pole, utility pole, or mailbox shall be located nearer to any side or rear lot line than either fifteen (15) feet or the permitted setback distance for a building on the lot, whichever distance is lesser.

MOVED: That Section 5 - AREA REGULATIONS of the Zoning Bylaws be amended by striking therefrom Paragraph 5.2.8 and substituting in its place the following Paragraph 5.2.8

5.2.8 No open storage or display of goods, products, materials or equipment, no gasoline pump, vending machine, or similar commercial device and no structure except for a perimeter wall, fence or similar enclosure not in excess of six (6) feet in height, or flag pole, utility pole, or mailbox shall be located nearer to any side or rear lot line than either fifteen (15) feet or the permitted setback distance for a building on the lot, whichever distance is lesser.

A 2/3 vote is required. MOTION is adopted unanimously.

ARTICLE 24. To see if the Town will vote to adopt a corrected and amended version of the Zoning Bylaws which have been corrected to eliminate grammatical, punctuation and spelling mistakes, a copy of the Zoning Bylaws as correct is on file with the office of the Town Clerk and endorsed "Revised and Corrected Zoning Bylaw - Article 24."

MOVED: That a corrected and amended version of the Zoning Bylaws which eliminates grammatical, punctuation and spelling mistakes, a copy of which is on file with the Office of the Town Clerk and endorsed "Revised and Corrected Zoning Bylaw Article 24", be and it hereby is adopted.

A 2/3 vote s required

MOTION is adopted unanimously.

ARTICLE 25. To see if the Town will vote in accordance with Massachusetts General Laws, Chapter 82, Section 21 to discontinue the use of certain

Townways located within Whitney Woods hereinafter identified for vehicular traffic and further authorize the Board of Selectmen to erect suitable barriers to prevent access to the ways as closed. The ways to be closed are: Ayer Lane, Blanchard Lane, Boulder Lane,James Hill Lane, Milliken Drive, One Way Lane, Turkey Hill Lane and Whitney Road, also known as Side Hill Road. The ways to be closed are more particularly shown as the ways shaded in red on a portion of the Cohasset Flood Plain and Water Protection District Map:, date October 1, 1969 and revised 1976 on file with the office of the Town Clerk and endorsed "Map-Article 25."

MOVED: That this Article be indefinitely postponed.

MOTION is adopted unanimously.

ARTICLE 26. To see if the Town will authorize the Board of Selectmen to acquire a parcel of land shown as plot 11 on Assessors Map 37 consisting of 1.66 acres of land off Border Street and Parker Avenue for recreation, boating, conservation, or other such use as the Town shall determine; and further to see what sum of money the Town will raise and appropriate transfer from available funds, or borrow to effectuate such purchase. The specific land to be acquired is shown as plot 11 on portion of Assessors Map 37 on file with the office of the Town Clerk endorsed "Plan - Article 26."

MOVED: That the Board of Selectmen be and it hereby is authorized to acquire parcels of land shown as plot 11 and an unnumbered plot on Assessors Map 37 consisting of 2.01 acres of land more or less abutting both Border Street and Parker Avenue to be used for recreation, boating, conservation, or such other uses as the Town shall determine; and to meet the cost of acquisition and related environmental, engineering and legal expenses, the Treasurer with the approval of the Board of Selectmen, be authorized to borrow the sum of Four Hundred Eighty-five Thousand and no/100 Dollars ($485,000.00).

A 2/3 vote is required.

MOTION is adopted unanimously.

ARTICLE 27. To see if the Town will vote to transfer from available funds or borrow the sum of One Hundred Two Thousand, Five Hundred Thirty-Three and no/100 ($102,533.00) Dollars for resurfacing with bituminous concrete, certain streets in the Town, including any work relating thereto; and to meet the appropriation, the Treasurer with the approval of the Board of selectmen be authorized to borrow One Hundred Two Thousand Five Hundred Thirty-Three and no/100 ($102,533.0) Dollars in accordance with Massachusetts General Laws, Chapter 90, Section 34, Clause 2 (a) which sums represent state funds allocated under Chapter 33 of the Acts of the Massachusetts Legislature 1991 Regular Session.

MOVED: That the Treasurer, with the approval of the Board of Selectmen, be authorized to borrow, the sum of One Hundred Two Thousand Five Hundred Thirty-Three and no/100 ($102,533.0) Dollars in accordance with Massachusetts General Laws, Chapter 90, Section 34, Clause 2 (a) which sums represent state funds allocated under Chapter 33 of the Acts of the Massachusetts Legislature 1991 Regular Session to be used for resurfacing with bituminous concrete, certain streets in the town, including any work relating thereto.

A 2/3 vote is required. MOTION is adopted unanimously.

ARTICLE 28. To see if the Town will approve the sale or other disposition of certain property belonging to Paul Pratt Memorial Library, with the proceeds if any, from such sale or disposition to be added to the Library's endowment.

MOVED: That the proceeds from sale of Library surplus property authorized by vote of the Board of Selectmen February 8, 1993, be used to establish a new fund to be managed by the Board of Library Trustees, and to be known as "The Paul Pratt Memorial Library Fund." The Town Treasurer/Collector shall have custody of the Fund, but the management thereof shall be the responsibility of the Library Trustees. The principal and income thereof may be used for capital improvements or expenses and may be expended without further appropriation by the Town.

MOTION is adopted unanimously.

ARTICLE 29. To see if the Town will raise and appropriate, transfer from available funds, or borrow the sum of Fifteen Thousand and no/100 ($15,000.00) Dollars for the purpose of paying legal fees to an Assistant Town Counsel to provide general environmental advice relating to the solution of the Town's wastewater management problems and the defense and prosecution of administrative and litigation actions arising therefrom.

MOVED: That the sum of Fifteen Thousand and no/100 ($15,000.00) Dollars be raised and appropriated from taxation for the purpose of paying legal fees to an Assistant Town Counsel to provide general environmental advice relating to the solution of the Town's wastewater management problems and the defense and prosecution of administrative and litigation actions arising therefrom.

MOTION is adopted unanimously.

ARTICLE 30. To see if he Town will accept the provisions of Massachusetts General Laws, Chapter 40, Section 44A, to 44K providing the establishment of a regional refuse district, together with the towns of Duxbury, Hanover, Hingham, Hull, Marshfield, Norwell, Rockland, Scituate and Weymouth and the construction, maintenance and operation of regional refuse disposal facilities by the district in the construction, maintenance and operation of regional refuse disposal facilities by the district in accordance with the provisions of a proposed agreement filed with the Selectmen and endorsed "Agreement - Article 30," and further to see what sum of money the Town will raise, appropriate and transfer from available funds, or borrow to effectuate the terms of the Agreement.

MOVED: That this article be indefinitely postponed.

MOTION is adopted unanimously.

ARTICLE 31. To see if the Town will raise and appropriate, transfer from available funds, or borrow the sum of Two Hundred Thirty Thousand and no/100 ($230,000.0) Dollars to purchase and equip a Fire Department Attack Engine/Pumper and authorize the trade-in of the 1961 Pirsch Pumper (Engine 22) currently out of service.

MOVED: That the Treasurer, with the approval of the Board of Selectmen, be authorized to borrow the sum of Two Hundred Thirty Thousand and no/100 ($230,000.0) Dollars for the purchase and equipping of a Fire Department Attack Engine/Pumper and authorize the trade-in of the 1961 Pirsch Pumper (Engine 22) currently out of service.

A 2/3 vote is required. Hand count taken Yes 139; No 11. MOTION is adopted.

ARTICLE 32. To see if the Town will raise and appropriate, transfer from available funds, or borrow the sum of Seven Thousand Eight Hundred and no/100 ($7,800.00) Dollars to purchase and equip a rescue watercraft with motor and authorize the trade-in or sale of the non-seaworthy boat and trailer presently in use by the Fire Department.

Town Clerk's Report of the Special Town Meeting, October 25, 1993

At the Special Town Meeting held on Monday, October 25, 1993 at the Cohasset High School Auditorium at 7:30 P.M. the following articles were contained in the warrant and acted upon as recorded.

Checkers previously appointed for entrance by the Selectmen and sworn in by the Town Clerk, Marion Douglas at 7:00 P.M. were Jacquelyn McGuire, Deborah Protulis, and Janice Rosano.

Tellers appointed by Moderator, George L. Marlette, III at 7:30 P.M. were Raymond Buckley, Arthur Lehr, Janet MacLure, and Grace Tuckerman.

The Moderator called the meeting to order at 7:45 P.M. and a quorum of 100 was present at that time. The total of registered voters was 152. The Moderator examined the call of the meeting and found it to be in order and called the Pledge of Allegiance.

ARTICLE 1. To see if the Town will raise and appropriate, transfer from available funds or borrow the sum of Three Thousand Two Hundred and no/100 ($3,200.00) Dollars to fund the position of Clerk to the Board of Assessors.

MOVED: That the sum of Three Thousand Two Hundred and no/100 ($3,200.00) Dollars be raised and appropriated from taxation to fund the position of Clerk to the Board of Assessors.

Motion adopted unanimously.

ARTICLE 2. To see if the Town, pursuant to Massachusetts General Laws Chapter 40, Section 4A, will authorize the Board of Selectmen to enter into an intermunicipal agreement or intermunicipal agreements with the Towns of Duxbury, Hingham, Marshfield, Norwell, Pembroke, Plymouth, Scituate and Hull, and such other communities as may be authorized from time to time, for the purpose of sharing public works equipment pursuant to a study by the South Shore Equipment Sharing Task.

MOVED: That the Board of Selectmen be authorized, pursuant to Massachusetts General Laws Chapter 40, Section 4A, to enter into an intermunicipal agreement or intermunicipal agreements with the Towns of Duxbury, Hingham, Marshfield, Norwell, Pembroke, Plymouth, Scituate, and Hull and such other communities as may be authorized from time to time, for the purpose of sharing public works equipment pursuant to a study by the South Shore Equipment Sharing Task.

Motion adopted unanimously.

ARTICLE 3. To see if the Town will vote to raise and appropriate, or transfer from available funds, a sum of money to supplement funds previously appropriated under Article 8 of the Warrant for the March, 1993 Special Town Meeting and Article 5 of the Warrant for the April 1992 Special Town Meeting which funds are to be used for repairs to the Sandy Beach riprap wall.

MOVED: That the sum of Fifty-five Thousand and no/100 ($55,000.00) Dollars be appropriated to supplement funds previously appropriated under Article 8 of the Warrant for the March, 1993 Special Town Meeting and Article 5 of the Warrant for the April 1992 Special Town Meeting which funds are to be used for repairs to the Sandy Beach riprap wall; and to meet the appropriation, the sum of Twenty Thousand and no/100 ($20,000.00) Dollars be raised by taxation and Thirty-five Thousand and no/100 ($35,000.00) Dollars be transferred from Surplus Revenue.

Motion is adopted unanimously.

ARTICLE 4. To see if the Town will authorize the Treasurer/Collector to add a lien fee of Fifty and no/100 ($50.00) Dollars to those accounts certified to the Assessor as unpaid water and sewer charges, pursuant to Massachusetts General Laws Chapter 40, Section 42C.

MOVED: That the Treasurer/Collector be authorized to add a lien fee of Fifty and no/100 ($50.00) Dollars to those accounts certified to the Assessors as unpaid water and sewer charges, pursuant to Massachusetts General Laws, Chapter 40, Section 42C.

Motion is adopted unanimously.

ARTICLE 5. To see if the Town will raise and appropriate, transfer from available funds or borrow a sum of money to clear the storm drainage ditch and culvert along Atlantic Avenue; the work so authorized to be performed under the direction of the Highway Surveyor.

MOVED: That the sum of Five Thousand and no/100 ($5,00.00) Dollars be raised and appropriated from taxation to be used to clear the storm drainage ditch and culvert along Atlantic Avenue; the work so authorized to be performed under the direction of the Highway Surveyor.

Motion adopted unanimously.

ARTICLE 6. To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow a sum of money to replace the Town's present computer hardware and/or software.

MOVED: That the sum of Fifty-six Thousand and no/100 ($56,000.00) Dollars be appropriated to replace the Town's present computer hardware and/or software; and to meet the appropriation, the sum of Forty-one Thousand and no/100 ($41,000.00) Dollars be transferred from Overlay Surplus and the sum of Fifteen Thousand and o/100 ($15,000.00) Dollars be transferred from funds appropriated under Article 2 of the Warrant for the November 16 1991 Special Town Meeting.

Motion adopted unanimously.

ARTICLE 7. To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow a sum of money to purchase a computer and printer for the Harbormaster Department.

MOVED: That the sum of One Thousand Eight Hundred and no/100 ($1,800.00) Dollars be transferred from Surplus Revenue to purchase a computer and printer for the Harbormaster Department.

Motion is adopted.

ARTICLE 8. To see if the Town will vote to transfer the sum of One Thousand and no/100 ($1,000.00) Dollars from the account designated "Reserve for Appropriation for Wetlands Protection" to supplement funds appropriated under Article 16 of the Warrant for the 1993 Annual Town Meeting which funds will be used by the Conservation Commission for the performance of its duties associated with the Wetlands Protection Act, including without limitation, acquisition of computer related equipment.

MOVED: That this Article be indefinitely postponed.

Motion is adopted.

ARTICLE 9. To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow a sum of money for the purpose of installing guard rails on Atlantic Avenue near Cunningham Bridge, on Jerusalem Road at Linden Drive, and to repair fences at various locations,the work so done authorized to be performed under the supervision of the Highway Surveyor.

MOVED: That the sum of Four Thousand Nine Hundred Ninety-two and no/100 ($4,982.00) Dollars be raised and appropriated from taxation for the purpose of installing guard rails on Atlantic Avenue near Cunningham Bridge, on Jerusalem Road at Linden Drive, and to repair fences at various locations,the work so done authorized to be performed under the supervision of the Highway Surveyor.

Motion is adopted unanimously.

Proclamation offered by Merle Brown

PROCLAMATION

WHEREAS, CLIFFORD J. DICKSON has served the Town of Cohasset as a Call Firefighter for fifty-one years, and is the last remaining Civil Service call Firefighter; and

WHEREAS, he has established a firm reputation among his brother firemen as a fearless firefighter who is known to work tirelessly to extinguish fires; and

WHEREAS, he has long used his substantial mechanical ability in the maintenance of the Department's fleet, at considerable savings to the Town; and

WHEREAS, he is considered by many of the Town's career firefighters to be the best Call Fireman who has ever served the Department; and

WHEREAS, he has used his considerable skills advantageously in the diligent accomplishment of every task he was assigned to do, or which he observed needed to be done; and

WHEREAS, he has continued to serve the Town as a dedicated Assistant Harbor Master since 1965, and more recently as Shellfish Constable, during the course of which duties he has applied himself with conscientious industry and admirable capability;

NOW, THEREFORE, BE IT RESOLVED, that we, the Board of Selectmen, on the occasion of his retirement from the Call Firefighting force of the Town of Cohasset, publicly acknowledge his many contributions to the Town which were made with unstinting dedication to duty and the admirable productivity of the efforts over many years of service.

GIVEN under our hands and the seal of the TOWN OF COHASSET this twenty-fifth day of October, in the year One Thousand Nine Hundred and Ninety-Three.

Proclamation adopted unanimously.

ARTICLE 10. To see if the Town will raise and appropriate, transfer from available funds or borrow a sum of money to retain a collection agency for the purposes of collecting unpaid ambulance bills.

MOVED: That the sum of Four Thousand and no/100 ($4,000.00) Dollars be transferred from Surplus Revenue to be used to retain a collection agency for the purpose of collecting unpaid ambulance bills.

Motion adopted unanimously.

ARTICLE 11. To see if the Town, pursuant to Massachusetts General Laws Chapter 40, Section 4A, will authorize an intermunicipal agreement with the Town of Hingham to jointly purchase and maintain a van to provide transportation for the disabled.

MOVED: That the Board of Selectmen be authorized, pursuant to Massachusetts General Laws Chapter 40, Section 4A, to enter into an intermunicipal agreement with the Town of Hingham to jointly purchase and maintain a van to provide transportation for the disabled.

Motion adopted unanimously.

ARTICLE 12. To see if the Town will raise and appropriate, transfer from available funds or borrow the sum of Two Thousand Five Hundred and no/100 ($2,500.00) Dollars for the purpose of entering into a contract with the Town of Hingham to purchase a converted van (16-B2) to transport disabled persons and to operate, maintain and insure the vehicle for the fiscal year 1994.

MOVED: That the sum of Two Thousand Five Hundred and no/100 ($2,5000.00) Dollars be raised and appropriated from taxation for the purpose of purchasing a converted van (16-B2) to transport disabled persons and to operate, maintain and insure the vehicle for the fiscal year 1994.

Motion adopted unanimously.

ARTICLE 13. To see if the Town will transfer from available funds the sum of One Thousand and no/100 ($1,000.00) Dollars to install a handicapped parking space and accessible sidewalk to the Paul Pratt Memorial Library; the work so authorized to be performed under the direction of the Highway Surveyor.

MOVED: That the sum of One Thousand and no/100 ($1,000.00) Dollars be raised and appropriated from taxation to be used to install a handicapped parking space and accessible sidewalk to the Paul Pratt Memorial Library; the work so authorized to be performed under the direction of the Highway Surveyor.

Motion adopted unanimously.

ARTICLE 14. To see if the Town will raise and appropriate, transfer from available funds or borrow the sum of One Hundred Fifty-Six Thousand Three Hundred Sixty-Seven ($156,367.00) Dollars to fund collective bargaining agreements between the Cohasset School Committee and the Cohasset Teachers; the Cohasset Administrative Unit; the American Federation of State, County and Municipal Employees, AFL-CIO, State Council 93, Local 1395; and the School Secretaries of the Cohasset Public Schools.

MOVED: That the sum of One Hundred Fifty-Six Thousand Three Hundred Sixty-Seven ($156,367.00) Dollars be raised and appropriated from taxation to fund collective bargaining agreements between the Cohasset School Committee and the

Cohasset Teachers; the Cohasset Administrative Unit; the American Federation of State, County and Municipal Employees, AFL-CIO, State Council 93, Local 1395; and the School Secretaries of the Cohasset Public Schools.

Motion adopted.

ARTICLE 15. To see if the Town will vote to accept a Collective Bargaining Agreement by and between the Town of Cohasset and the Konohasset Clerical and Custodial Association, and to see what sum of money the Town will raise and appropriate, or transfer from available funds to effectuate the agreement.

MOVED: That this Article be indefinitely postponed.

Motion is adopted.

ARTICLE 16. To see if the Town will raise and appropriate, transfer from available funds, or borrow the sum of Two Thousand Eight Hundred Forty-one and 26/100 ($2,841.26) Dollars for the purpose of paying the unpaid bills itemized below and relating to prior fiscal years.

Vendor	Dept.	Amount	Fiscal Yr
Staples	Fire Dept	$ 544.96	1993
Olympic Texaco	Fire Dept	63.30	1993
Delprete & Sons	Landfill	90.00	1993
Rosano-Davis	Water Dept	2,143.00	1993

MOVED: That the sum of Two Thousand Eight Hundred Forty-one and 26/100 ($2,841.26) Dollars be raised and appropriated from taxation for the purpose of paying the unpaid bills itemized below and relating to prior fiscal years.

Vendor	Dept.	Amount	Fiscal Yr
Staples	Fire Dept	$ 544.96	1993
Olympic Texaco	Fire Dept	63.30	1993
Delprete & Sons	Landfill	90.00	1993
Rosano-Davis	Water Dept	2,143.00	1993
Airco	Fire Dept	40.00	1993
Dependable Cleaners	Police Dept	60.00	1993

A 9/10 vote is required.

Motion adopted unanimously.

ARTICLE 17. To see if the Town will vote to amend Article VII of the General Bylaws, **SAFETY AND PUBLIC ORDER**, by deleting paragraph (e) of Section 26 and substituting the following paragraph (e):

(e) The Board of Selectmen shall set the opening and closing hours of the Sandy Beach Parking Lot.

MOVED: That Article VII of the General Bylaws, SAFETY AND PUBLIC ORDER, be amended by deleting paragraph (e) of Section 26 and substituting the following paragraph (e):

(e) The Board of Selectmen shall set the opening and closing hours of the Sandy Beach Parking Lot.

Motion is adopted.
Resolution offered by Merle Brown.

RESOLUTION

Whereas, the Cohasset Drug and Alcohol Committee was established to educate the community about physical, emotional and spiritual consequences of substance use and abuse; and

Whereas, the Cohasset Drug and Alcohol Committee has worked tirelessly for the past three years to inform and educate the citizens of Cohasset about the effects of alcohol and drug abuse through its Safe Homes Project and Annual Drug Free Weekend, development of a Cohasset Tag-A-Keg program before it was enacted into state law, creation of a drug and alcohol information rack at the library, annual participation in Cohasset's annual health fair, weekly newspaper articles concerning drug and alcohol abuse and many other activities designed to educate our citizens and help fight the war against substance abuse; and

Whereas, the Cohasset Drug and Alcohol Committee has received the honor of being named the Community Group 1993 Drug Fighters of the Year by the Massachusetts Governor's Alliance Against Drugs and the United States Drug Enforcement Administration;

Now therefore, be it resolved that the citizens of Cohasset assembled on this twenty-fifth day of October, 1993 do hereby join with the Massachusetts Governor's Alliance Against Drugs and the United States Drug Enforcement Administration and commend the members of this committee (both past and present) for their efforts and do hereby record our deep thanks and appreciation.

Resolution adopted unanimously.

ARTICLE 18. To see if the Town will vote to raise and appropriate, or transfer from available funds or borrow a sum of money for the purchase of either new or used emergency generators for use in Town buildings.

MOVED: That the sum of Three Thousand One Hundred Twenty-one and no/100 ($3,121.00) Dollars be raised and appropriated from taxation to be used for the purchase of emergency generators for Town buildings.

Motion adopted unanimously.

ARTICLE 19. To see if the Town will vote to amend Article V of the General Bylaws, APPOINTED STANDING TOWN BOARDS AND COMMITTEES, by adding to Section 7 thereof a new subsection (d) which shall read as follows:

(d) The Commission shall have authority to appoint a Conservation Commission Agent, who shall have such duties and responsibilities as shall be delegated to him by the Commission.

MOVED: That this Article be indefinitely postponed.

Motion adopted unanimously.

ARTICLE 20. To see if the Town will vote to amend its Personnel Classification Bylaw Schedule as adopted under Article 4 of the Warrant for the 1993 Annual Town Meetings by creating the position of "conservation Commission Agent" so that the caption "Conservation Commission" shall be added under the heading "department" and the following inserted under that department and caption:

Position	Pay Group	Pos. Auth	Sched	Hours
Agent		1	1	

MOVED: That this Article be indefinitely postponed.
Motion adopted unanimously.
MOVED: by Richard Henderson, Town Counsel that this meeting be dissolved.
Motion voted unanimously at 9:25 p.m.

A True Record, ATTEST:
/s/ Marion L. Douglas, *Town Clerk*

Report of the Board of Registrars

The Board of Registrars reappointed Margaret Charles as the chairwoman.

Dorothea Parmenter was reappointed to the Board for three years by the Board of Selectmen. As Linda Schultz left her post at the school, the Registrars appointed Deanna Mulligan to replace Linda as the School Assistant Registrar. We would like to thank Linda for her dedication and hard work over the years and welcome Deanna.

The following elections and town meetings were held:

Annual and Special Town Meeting - March 27, 1993
Annual Town Election - April 3, 1993
Special Town Meeting - October 25, 1993

The Annual Listing of Persons seventeen years of age and older as per General Laws, Chapter 51, Section 4 was conducted by mail during January. Voter registration may be done at the Town Hall any day during regular business hours as well as special hours designated for elections and town meetings. To register to vote you must be eighteen years of age on or before election day, born in the United States or be a naturalized citizen. At this time we have a total of 5,039 voters - 1082, Democrats, 1062 Republicans, 2895 Unenrolled.

Respectfully submitted,
Margaret Charles, *Chairwoman*
Marion Douglas, *Clerk*
Judith Volungis
Dorothea Parmenter

Report of the Town Archivist

During 1993 the Town's archive records vault at Town Hall remained in service continually. New, permanent Public Records were added as they were turned over to the Archivist by various Town Hall offices.

During the year several researchers utilized the historic Town records.

The environmental controls of the Town's records storage vaults continue to operate according to standards set by the Commonwealth's Public Records laws. Storage space available on the shelves of the Town Hall vaults remains adequate, with room for continued expansion of usage through the foreseeable future.

Respectfully submitted,
David H. Wadsworth, *Town Archivist*

Report of the Bylaw Committee

The Bylaw Committee has reviewed those articles proposed for each Town Meeting which involve changes in or additions to the Town Bylaws to assure that they are in conformity with existent Bylaws in style and proper placement in the text. The Committee has also reviewed such articles passed by Town Meeting and accepted by the Attorney General and has directed that these changes be incorporated in copies of the Bylaws in the office of the Town Clerk.

The Bylaw Committee has also checked those legislative acts of the Massachusetts General Court which have been adopted by Cohasset Town Meetings between 1985 and 1992, to assure that they are listed appropriately in the General Bylaws of the Town.

Respectfully submitted,
Mary E. Gainor, *Chairman*
W. Roger Nast
Louis F. Eaton, Jr.
Richard A. Henderson, *Town Counsel*
(ex officio)
Marion L. Douglas, *Town Clerk*
(ex officio)

Report of the Town Moderator

Following my election as Town Moderator, I made a pledge to streamline and demystify the Town Meeting process. I am pleased to report the following positive initiatives toward that goal.

As Moderator, I developed hand-out literature for distribution at Town Meeting which contained by-law and other relevant information. Included in the informational piece are proposed changes to be voted at the time of the meeting. Due to the popularity of the material, I have asked that the information be printed in the Town Warrant so that all Cohasset residents may be similarly informed.

In an effort to stay current on all major issues involving Town government, I attended the long range planning session conducted by the Board of Selectmen and Advisory Committee, and have established a Moderator's mail box at Town Hall, and have been placed on all relevant mailing lists, including that of the State Association of Town Moderators. I confer on a regular basis with members of the Board of Selectmen and Advisory Committee, and make an effort to participate in constructive dialogue on matters of consequence to the Town.

In a continuing effort to streamline the Town Meeting process, and make meetings move along in a more productive, fast paced manner, I have worked with proponents of various articles to help them format presentations with brevity and clarity. The goal is not to limit free speech, rather to encourage solutions rather than speeches. Another time saving measure is the restoration of the sequentially numbered selection of articles. I have advocated for Cable TV coverage to afford expanded access to all, especially elderly or infirm residents.

Under the Troika process, a number of key vacancies on important Boards and Committees were filled. In an effort to open up the selection process, care was taken to identify and announce all vacancies, and to give considerable advance notice of Troika meetings. Press releases were published by local papers in order to ensure an inclusionary process.

In the upcoming year, I will aggressively seek ways to expand the Town Warrant, while reducing production and distribution costs, and will explore constructive reform to the Troika system. As always, I welcome comments and suggestions from all Cohasset residents.

Respectfully submitted,
George Marlette, *Moderator*

Report of the Committee to Survey the Structure and Functions of Town Government

The purpose of this Committee is to survey the structure and functions of Cohasset Town government, its officers, departments and boards, and from time to time, report its findings and recommendations, if any, to Town Meeting. To this end the Committee held meetings on a regular basis this past year. We have also met, individually and collectively, with members of other committees, Town officials, and interested citizens.

Over the course of the past year the Committee has begun what we expect will be a comprehensive review of Town government. This Committee remains concerned that Department of Revenue data continues to project an increased gap between Town revenues and expenditures, and will continue to support exploring both regionalization possibilities and structural changes which promote economies without reducing services to a level unacceptable to the Town.

In the course of the year the Chairman and Secretary were reelected.

Respectfully submitted,
F. Roy Fitzsimmons, *Chairman*
Wilson H. Pile, *Secretary*
Jean M. Muir
Louis Simeone
Stacy V. Weaver
James L. Whelan

Town Counsel

Consistent with the pattern that has prevailed over most of the last five years, the Town spent considerably less during the 1993 fiscal year in legal fees than it did in the prior fiscal year. The reduction in legal cost is a direct result of the concentration of effort in preventive legal services and less time directed towards the prosecution and defense of lengthy court cases. The Town currently is not a defendant in any major lawsuit involving exposure to monetary damages and is using outside counsel only in connection with two major environmental matters. The Town retains the law firm of Goodwin, Procter & Hoar to represent it in environmental matters relating to or arising out of solutions to its wastewater management problems. While there is still a lawsuit pending against the Town entitled Division of Water Pollution Control of the Commonwealth of Massachusetts v. Town of Cohasset, Suffolk Superior Court, Docket No. 38652, most of special counsel time is consumed in negotiations with the Commonwealth of Massachusetts to persuade it to allow the Town to expand its current wastewater treatment plant. The litigation is essentially inactive; however, it is anticipated that the suit will not be dismissed by the Commonwealth until a solution is found to the Town's sewerage problem.

The Town retains Michael A. Leon of the law firm of Warner & Stackpole to provide legal advice involving any matters relating to or arising out of the Cohasset Heights Landfill. Currently, special counsel is responsible for protecting the Town's interest in the various permit processes involving the proposed expansion of the landfill and matters requiring compliance with environmental regulations as they pertain to the existing landfill site.

The Town also retained special municipal labor counsel, Robert W. Garrett, to provide legal assistance in connection with matters arising out of collective bargaining agreements by and between the Town of Cohasset and its four labor unions.

In addition to conferring with special counsel from time to time, the Town Counsel's office was responsible for the preparation and review of contracts involving municipal departments, review and comment on proposed regulations, and the rendering of opinions to all Town departments other than the School Department in connection with the day-to-day legal affairs of the community. As in past years, the Town Counsel's office defended and prosecuted all other court cases and administrative matters affecting the Town. During the 1993 fiscal year, the Town was a party to several court cases relating to either enforcement of general and zoning bylaws, or the defense of various permit granting boards before the Superior Court in connection with decisions rendered by those agencies. There were also approximately twenty-five (25) cases pending against the Town of Cohasset in the Commonwealth of Massachusetts' Appellate Tax Board by taxpayers seeking to reduce the assessment on their personal residence or business, three cases pending before the Commonwealth of Massachusetts' Department of Environmental Protection, Waterways Division, relating to the issuance or denial of mooring locations in Cohasset Harbor, and approximately six (6) tax foreclosure cases pending in the Commonwealth of Massachusetts' Land Court.

Other than the environmental cases, the Town did not face many serious legal problems during the 1993 fiscal year. The decline in the number of Court cases and administrative proceedings appears to be as a result of the decreased residential and commercial development in the community during the early years of the 1990's, as well as a reflection of the responsible effort being put forth by Town employees, elected officials and dozens of volunteers on appointed and standing Town committees in the discharge of their duties to the Town and its citizens.

Respectfully submitted,
Richard A. Henderson

Town Accountant

To the Board of Selectmen and Citizens of Cohasset:

Submitted herewith is my annual report for the fiscal year ended June 30, 1993. This report includes the following:

GENERAL FUND

1. Balance Sheet (Combined)
2. Statement of Revenues, Expenditures and Changes in Fund Balance
3. Report of Appropriations and Expenditures
4. State and County Assessments
5. Statement of Revenues, Budget vs. Actual

SPECIAL REVENUE FUND

1. Balance Sheet (Combined)
2. Statement of Revenues, Expenditures and Changes in Fund Balance-Town Special Revenue Funds
3. Statement of Revenues, Expenditures and Changes in Fund Balance-School Special Revenue Funds

WATER FUND

1. Balance Sheet (Combined)
2. Statement of Revenues, Expenditures and Changes in Retained Earnings
3. Report of Appropriations and Expenditures

CAPITAL PROJECTS FUND

1. Balance Sheet (Combined)
2. Statement of Revenues, Expenditures and Changes in Fund Balance

TRUST FUNDS

Combined Statement of Changes in Fund Balances

GENERAL LONG-TERM DEBT GROUP OF ACCOUNTS

Statement of General Long-Term Debt
Statement of Water Fund Long-Term Debt
Statement of Authorized and Unissued

Funds for the following unpaid bills for fiscal year 1993 were appropriated at the Special Town Meeting, October 27, 1993:

Staples	544.96

Board of Assessors

Again in 1993, most property values declined as a result of the slumping real estate market. New growth appears to have leveled off and we do not expect any major change in 1994, since new construction appears sparse.

The past year has brought many changes to our office and will carry through 1994 with the advent of a new Computer Assisted Mass Appraisal program from Data National. When installed, this program will fully integrate the Assessors' and Treasurer/Collector's office for the first time ever. We look forward to being better able to handle abatements of real property and motor vehicle excise taxes through this new program.

The past year saw the departure of our first Assistant Assessor/Appraiser, Mr. Joseph DiVito, who performed his job with a great deal of professionalism and earned the respect of many taxpayers. We wish him well in his new position in the City of Watertown.

The past year brought a new part time data entry person into our office, Deborah Krupczak. With her talents we have been able to catch up and maintain more accurate changes of ownership, address changes, changes in valuations and permit activity. She will become increasingly more valuable as we install our new computer program.

We are most appreciative of Mrs. Janice Rosano, our Senior Clerk, who has weathered all of these changes and maintains a high degree of proficiency in dealing with taxpayers.

The Assessors present the following value information for all taxable property in the Town of Cohasset:

TYPE OF PROPERTY	TOTAL ASSESSED VALUE
Residential	$ 714,443,600
Commercial	59,557,800
Industrial	5,215,700
Personal Property	9,886,900.

The fiscal year 1994 tax rate is $13.93.

Respectfully submitted,
James W. Lagrotteria, *Chairman*
Michael C. Patrolia
Ross W. Rosano

Land Use Control

Building Inspector and Zoning Officer

The following is a report of the Building Department for the year 1993:

Building Permits Issued	300	$ 30,348.
Building Permit Fees Paid to Treasurer		$4,904,094.
Estimated Cost of Construction		$ 665.
Certificate of Inspections	12	$ 350.
Zoning By Laws	70	$ 165.
Zoning Maps	55	$ 60.
Copies		$ 275.
Occupancy Permits	11	$ 10.
Topo Maps	2	$ 4,144.
Plumbing Permits	131	$ 1,528.
Gas Permits	99	$ 3,601.
Plumbing Inspector Paid for Inspections		$ 1,508.
Gas Inspector Paid for Inspections		

Respectfully submitted,
Robert M. Egan
Building Inspector/Zoning Officer

Conservation Commission

The Conservation Commission is made up of seven members who are appointed by the Board of Selectmen. The Commission's responsibility is to protect the fragile wetlands areas of our Town in accordance with the requirements of the Massachusetts Wetlands Protection Act and the Town of Cohasset Wetlands Bylaw. One of the highlights of the past year was the appointment of Edward Graham and Robin Grinnell as Associates. These two new positions were created to provide people interested in appointment to the Commission an opportunity to learn about the various rules and regulations by which the Commission must operate, to offer input on a regular basis concerning issues that come before the Commission and to assist the Commission in the performance of its duties.

This year the Commission continued its schedule of meeting at least two times each month. Additional meetings were held as necessary to address the large number of issues brought before us. As well as attending these evening meetings, Commissioners regularly inspected properties requiring Conservation approval in order to obtain a clear understanding of each project and the wetlands issues involved. We also observed an increase in attendance at our meetings by residents interested in conservation issues and the Wetlands Protection Act.

The Commission meets on the first and third Tuesday of each month at 7:30 p.m. at Town Hall with additional meetings as necessary. Members of the Commission and our secretary also attend workshops and conferences in related areas sponsored by such groups as the Massachusetts Association of Conservation Commissions (MACC) and the Massachusetts Department of Environmental Protection.

Respectfully submitted,
Jeffrey C. Waal, *Chairman*
Roseanne M. McMorris, *Vice Chairman*
John K. Bryant
Thomas J. Callahan
Lynn E. Morgenstern
Brian W. Murphy
Veneta P. Roebuck
Edward S. Graham, Jr., *Associate*
Robin D. Grinnell, *Associate*

Board of Health

In 1993 Robert V. Davenport was elected to the Board after having been appointed to fill a vacancy in 1992. William E. Baird, PE, LSP, was re-elected to the Board and in its reorganization the Board re-elected him chairman. Robert V. Davenport is the clerk and Thomas C. Cook, PE, is the other member. Joseph R. Godzik, VMD, continued as Health Agent, and Carol Oteri-Puffer as Administrative Secretary.

In the schools, the problem of levels of lead in water, above the EPA action levels, appears to be a plumbing problem. Replacement of fixture heads, valves, piping, etc., has reduced lead levels in some areas below the action levels. The schools will continue to replace plumbing over the coming year.

At Cushing Plaza there has been no progress toward the repair of the failed septic system servicing the stores. The Plaza was sold to Shaw's Supermarkets in November. The Board is exploring its legal options to solve this problem as soon as possible.

Cohasset Heights Ltd. landfill submitted its Final Environmental Impact Report for a fifteen-acre general refuse landfill expansion just before Christmas. It will be carefully reviewed by the Board and its consultants to assure appropriate action will be taken.

The Massachusetts Department of Environmental Protection submitted regulations regarding septic systems and the upgrading of cesspools. After public comment they were to be again reviewed. The Cohasset Title 5 Study Committee continues to function. The committee is looking at financing options and other issues dealing with homes that have cesspools. Public information sessions will be held as the new regulations develop.

Closure of the Town's Cedar Street Landfill is progressing. The Initial Site Assessment has been submitted to the Department of Environmental Protection by Camp, Dresser & McKee, the Town's engineering consultant. Actual closure construction should begin in the summer of 1995.

Solid waste disposal continues to be a function of the Board of Health. The long term contract with the SEMASS resource recovery facility went into effect in July. A significant increase in disposal costs came into effect at that time. As a result, the residential disposal permit fee was increased to $65.00 to continue the policy of funding about fifty percent of the costs of tipping fees and transportation.

The Recycling Committee continues to be very active expanding the items which can be recycled and searching for new markets. The new compacter is working well and saving money.

The Board began participation in a fourteen town collaborative to deal with the hazards of smoking and environmental tobacco smoke. In April, the USEPA declared environmental tobacco smoke a Class A carcinogen, i.e., causing cancer. The Massachusetts Department of Public Health gave a grant of $300,000 to the fourteen towns to reduce smoking by fifty percent by 1999. The fourteen town South Shore Board of Health Collaborative will work towards this end through policy development, education, cessation programs, and enforcement of laws prohibiting sales of tobacco products to minors. This program is being funded by the twenty-five cents per pack excise tax on cigarettes.

The raccoon rabies epizootic continues in Massachusetts. There have been no confirmed cases in Cohasset, but cases have occurred as close as Milton. Parents should advise children not to play with wildlife and avoid any animal which appears to be acting abnormally.

For the first time the Board offered immunizations for pneumococcal pneumonia to persons over sixty-five years of age and those at high risk for respiratory diseases. It is anticipated that this will be an ongoing program.

The Revolving Account receipts and expenditures for septage disposal at Upper Blackstone Pollution Abatement District in 1993 were:

Receipts	45051.35
Expenditures	42143.35
Interest Earned	380.99.

Respectfully submitted,
William E. Baird, P.E., *Chairman*
Robert V. Davenport, *Clerk*
Thomas C. Cook, *P.E.*

Metropolitan Area Planning Council

Throughout the year, MAPC has been representing the interests of communities in the region on a number of critical planning issues. In August MAPC initiated a public information process for review and comment on the Regional Transportation Plan, a long-range planning document that lays out future transportation investments in the region. Working within the Metropolitan Planning Organization (MPO) structure, along with 5 other agencies, MAPC participated in the development of the Plan, mandated by the ISTEA (Intermodal Surface Transportation Efficiency Act) federal legislation. MAPC's involvement in the Regional Transportation Plan resulted in a final draft that was more reflective of local needs.

Other transportation planning initiatives that MAPC participated in on behalf of its communities include coordinating local review of amendments to the TIP (Transportation Improvement Program) the State Implementation Plan (SIP) for Air Quality, and the Program for Mass Transportation (PMT).

MAPC also participated in the federally required reclassification of local roads, hosted an informational forum on the SIP, coordinated and solicited Transportation Demand Management (TDM) and transportation enhancement project development and funding, and participated in an electric vehicle pilot program to demonstrate the viability of alternative fuel vehicles in Massachusetts.

As the lead agency for the development of the Overall Economic Development Program (OEDP) for the region, MAPC brought together local officials and the region's business community to develop the OEDP priorities. In January, the Economic Development Administration (EDA) approved MAPC's OEDP qualifying the projects contained in it for public works grants from the EDA. During the year, OEDP project funding by the EDA totaled S1.8 million.

MAPC's Data Center continued to develop and disseminate information on the communities in the region. Last year the center developed a 1990 census profile of sample data for each community in the region, surveyed and compiled an inventory of vacant industrial and commercial sites for each community in the region, and developed journey to work data and population and age group forecasts for each community.

MAPC's administrative support of the eight subregions continued to provide an important coordinating link between the towns and the region. In 1993 the South Shore Coalition (SSC) focused on several transportation projects, including the Route 3A Bridge in Marshfield and Scituate, the proposed Route 3 widening project, the Summer Street/George Washington Boulevard bicycle path in Hingham, and the Old Colony Rail Restoration Project. The group also reviewed and responded to the Regional Transportation Plan and the Transportation Improvement Program and considered flood insurance, coastal water quality, economic development, solid waste management, and the South Weymouth Naval Air Station. In May the SSC sponsored a meeting with South Shore legislators to discuss legislative priorities.

MAPC also provided administrative support to the South Shore Regional Disposal Planning Board formed in the spring of 1992, to study the feasibility of forming a solid waste management district.

MAPC continues to be a strong voice for local participation in the planning process and a valuable resource to communities. In addition to the above activities, last year MAPC staff also met with SSC town administrators to draft a Request for Proposals for an office supply bid.

Respectfully submitted,
Martha K. Gjesteby
Local MAPC Representative

Mosquito Control Committee

Efforts of the Mosquito Control Committee were devoted to the following goals:

1) Responding to individual requests by residents for help with mosquito problems in the vicinity of their homes. Visits were made to each household requesting help to discuss mosquito control in the area, and appropriate literature concerning mosquito problems was given. A reporting form is now available in the Board of Health office. All calls dealing with mosquito problems are logged on these forms and turned over to our committee. In 1994 we plan to revisit or call each household reporting to us in 1993 to ascertain their experiences with mosquitoes.

2) Long-range planning to attain the goal of making Cohasset as free from serious mosquito problems as possible. We met with representatives of the Board of Health, Conservation Commission, Tree and Park Department, and Drainage Study Committee to discuss strategies for effective integrated pest management (IPM) Results of this meeting were reported to the Selectmen, and three requests were made:

a) Funds were asked for and granted to purchase a set of 66 topographic maps of the Town at a scale of 1 inch to 100 feet. With the assistance of Town officials, local residents, students, and particularly the Plymouth County Mosquito Control Project, we hope to utilize these maps in 1994 to identify potential mosquito-breeding areas. This plan will provide the basis for developing an environmentally compatible program for mosquito control.

b) The second request was to reactivate the Drainage Study Committee, which would help both our committee and the Conservation Commission.

c) The final request was for assistance from the Highway Department and the Tree and Park Department in identifying brooks and streams which need to be cleared to improve water flow.

Our committee would sincerely appreciate advice from any citizens who have had experience in control of air-borne insects.

We are happy to welcome for 1994 Donna French, who will be filling a vacancy on the committee.

Respectfully submitted,
Charles Gainor, *Chairman*
Alix P. White
Frank Burk Ketcham, Jr.
Linda T. Keller
Joan Busk (resigned 4/25/93)
Vincent P. Dunn
Donna P. French

Planning Board

"The Cohasset Planning Board, under the authority granted to it by Massachusetts General Laws, Chapter 40a, Chapter 41, and the Cohasset Zoning Bylaws, fulfilled the following responsibilities in 1993:

- Reviewed 15 Subdivisions Not Requiring Approval;
- Reviewed for initial consideration or final approval two Site Plans for the Highway Business, Light Industry, and Downtown Business Districts;
- Continued monitoring of approved Cluster Developments, Subdivisions, and Site Plans under consideration;
- The Board held a Public Hearing regarding changes in the Zoning Bylaws. These changes were: "To see if the Town would vote to adopt a corrected and amended version of the Zoning Bylaws". In Bylaw 5.2.8, fence height went from five to six feet, and Bylaw 12.2.11 was changed from "A penalty of One Hundred Dollars..." to "A Penalty not to exceed One Hundred Dollars...."

Respectfully submitted,
Alfred S. Moore, Jr., *Chairman*
William J. Good, Vice Chairman
Jean H. Simonds, *Clerk*
Robert H. Sturdy
John F. O'Toole

Plymouth County Mosquito Control Project

The Project is a special district created by the State Legislature in 1957, and is now composed of 24 Plymouth County towns, the City of Brockton, and the Town of Cohasset in Norfolk County. The Project is a regional response to a regional problem and provides a way of organizing specialized equipment, specially trained employees, and mosquito control professionals into a single agency with a broad geographical area of responsibility.

The 1993 season began with an above normal water table which produced large numbers of spring brood mosquitoes throughout the County. Efforts were directed at larval mosquitoes starting with the spring brood. Ground and aerial larviciding was accomplished using B.T.I., an environmentally selective bacterial agent. Upon emergence of the spring brood of adult mosquitoes, ultra-low-volume adulticiding began. The Project responded to increased numbers of service requests until a drying trend occurred during mid-summer. All sprayers and trucks performed well with little time lost to breakdowns.

The threat of the mosquito-transmitted disease Eastern Equine Encephalitis (EEE) was low in 1993. No horse or human cases occurred, but virus was recovered from bird-feeding mosquitoes. The recurring problem of EEE in Southeastern Massachusetts continues to ensure cooperation between this Project and the Massachusetts Department of Public Health.

The figures specific to the Town of Cohasset are given below. While mosquitoes do not respect town lines, the information given below does provide a tally of the activities which have had the greatest impact on the health and comfort of Cohasset residents.

Insecticide Application: 1,632 acres were treated using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in May and the last in September.

Our greatest effort has been targeted at mosquitoes in the larval stage which can be found in woodland pools, marshes, and other standing water areas. Inspectors continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present. Last year a total of 68 inspections were made to 77 catalogues breeding sites.

Water Management: During 1993 crews removed blockages, brush and other obstructions from 3,975 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito breeding. This work, together with machine reclamation, is most often carried out in the fall and winter.

Machine Reclamation:1,545 linear feet of saltmarsh ditch was reconstructed in Cohasset using one of the Project's two track-driven backhoes.

Finally, we have been tracking complaint response time; that is, the time between notice of a mosquito problem and response by one of our inspectors. The complaint response time in the Town of Cohasset was less than two days, with more than 210 complaints answered.

Mosquito Survey: A systematic sampling of mosquitoes in Cohasset indicates that *Coquillettidia perturbans* was the most abundant species. Other important species collected included *Culex territans* and *Aedes cantator*.

We encourage citizens or municipal officials to call our office for information about mosquitoes, mosquito-borne diseases, control practices, or any other matters of concern.

Respectfully submitted,
Carolyn Brennan, *Chairman*
Robert A. Thorndike, *Vice Chairman*
Leighton F. Peck, Jr., *Secretary*
William J. Mara
Alice A. Pratt
Commissioners

Recycling Committee

Recycling in Cohasset continues successfully. Paper, corrugated glass, magazines, clothing, cans, steel, plastic and returnables all are recycled to local vendors for further processing.

Construction of a building to house our new baler was completed this past year. The baling of corrugated and plastic milk mugs has turned an expensive process into one of actual income to the Town.

The committee has continued to approach recycling from an educational rather than enforcement standpoint. Annual school day, when four classes of Cohasset students visit the RTF and review the various methods of recycling, is effectively coordinated with members of the Recycling Committee. Handouts updating recycling are passed out periodically. Monitors are encouraging proper recycling.

The Committee is continuously researching markets for new vendors and reviewing possible new items to recycle.

The Recycling Committee thanks all residents who support the recycling efforts.

Recycling transfer facility employees have been helpful in the Committee's efforts.

Respectfully submitted,
Arthur L. Lehr, Jr.
Merle S. Brown
John F. Hubbard

Public Safety

Animal Control Department

In 1993 the Animal Control Department traded in the 1987 LTD that was being used for animal control and received a 1991 LTD from the Police Department for use in animal control. During the spring, Cohasset entered into an agreement with the Town of Scituate, and now boards all stray dogs at Scituate's new animal shelter on the Driftway. Since entering into the agreement with Scituate, many dogs have been impounded and boarded at the Scituate facility.

With the rabies epidemic so close, I have worked with the Board of Health to establish policies and procedures on how to deal with rabid animals. A great deal of time was put into licensing dogs, and making sure that all dogs and cats are vaccinated against rabies. There were over 750 dogs licensed in Cohasset in 1993.

Many calls were received regarding wildlife problems and questions. Most of the questions were relating to the trapping of wild animals in so-called "Have A Heart" traps. These traps are available in most hardware stores, and you can purchase these traps. However, it is illegal to trap wildlife without a permit issued by the State Division of Fisheries and Wildlife. Don't get caught using a trap without a permit; it carries a hefty fine.

As always, if you have any questions regarding animals or animal laws, please contact my office and I would be more than happy to try to help you. Remember, license your dog on time and vaccinate your pet against rabies. It is just a matter of time until we see an outbreak of rabies in Cohasset.

Respectfully submitted,
William P. Quigley
Animal Control Officer

Emergency Management

Although the nation was plagued with several various emergencies during 1993, Cohasset remained relatively quiet. Only one "state of emergency" was declared in Cohasset during the year. This was a coastal storm that placed us on full alert. There was some minor coastal flooding, but no evacuation was necessary.

Electrical outages from falling tree limbs were handled by Eastern Edison.

The Town engaged in a "storm exercise" with Eastern Edison Company in November to test the effectiveness of their Emergency Storm Program.

Cohasset can be proud of its employees for their dedication to duty at trying times.

Respectfully submitted,
Arthur L. Lehr, Jr.
Emergency Manager

Fire Department

I hereby submit the Annual Report of the Cohasset Fire Department for the year ending December 31, 1993.

A Statistical Analysis of the Department Responses for the year is as follows:

Building/Structure Fires	32
Brush/Outdoor Fires	26
Motor Vehicle Accidents	35
Motor Vehicle Fires	12
Medical Calls	509
Assistance	51
Investigations	148
Inspections	451
Miscellaneous	419
Total	1,683

Mutual Aid with other Towns, for Fires:

Rendered	41
Received	7

MEDICAL RESPONSES:

Total Calls	509
Number of Persons Transported	342
Persons Treated at the Scene	73
Mutual Aid Rendered	100
Mutual Aid Received	30

The Fire Department is currently operating with the following equipment:

Engine 1 -- 1987 Pierce 1,250 G.P.M. Pumper
Engine 3 -- 1979 Duplex 1,250 G.P.M. Pumper
Ladder 1 -- 1978 Seagrave 100 Foot Aerial Ladder
Forest 1 -- 1982 Ford 4 WD 100 G.P.M. Pump
Rescue 3 -- 1993 International Ambulance
Car 20 -- 1987 Ford 4-door Sedan

The new pumping engine authorized by the 1993 Annual Town Meeting was awarded to the Pierce Manufacturing Company of Appleton, Wisconsin, with delivery expected in early summer.

In the past year the Department lost one member due to retirement. Call Fire Captain Clifford J. Dickson was appointed on May 8, 1942 as an Auxiliary Firefighter and retired on August 10, 1993. Captain Dickson served the Cohasset Fire Department with honor and dedication for over fifty-one years.

In conclusion, I would like to extend to the citizens of Cohasset, the Board of Selectmen, the heads and members of the Town departments and committees, my sincere thanks and appreciation for their assistance.

To all of the Officers and Firefighters of the Department for their dedication and performance of duties, my sincere thanks and appreciation.

Respectfully submitted,
Roger W. Lincoln
Chief of the Fire Department

Harbor Master

1993 was a successful boating season with no fatalities. The Harbor Master's Department assisted twenty-eight disabled boaters.

Since taking over for Mr. Gadow, I have come to meet a lot of interesting people in and around the Harbor. I knew Mr. Gadow both as a friend and as a fellow Harbor Master, and he will be missed. I hope to make the transition a smooth one, but everyone should expect some changes.

The winter of 1993 was not kind to us as continuous cold weather and storms with high winds and snow kept our commercial fleet moored in ice some four to five inches thick. A thank you goes out to all our mooring residents for their patience during the state dredging project inside the Harbor.

Thanks go to Peter Laugelle and the Tree and Park Department for their assistance around the various wharf areas in keeping them neat and clean for the amount of traffic in and out of our small Harbor both by vehicle and vessel. Thanks go, also, to the patience of the Police Department while running numerous registration numbers for user fee bills.

Special thanks go to my assistant Bob Baggs for his extra time and help in making me aware and answering my hundreds of questions in the day-to-day routine of the Harbor. A thank you to my other assistants Cliff Dickson, Dave Marks, Tom Wigmore and Howard Hunt for representing this office in a professional manner and making boating in this area safe, educational and fun.

Respectfully submitted,
Shawn E. Kelly
Harbor Master

Police Department

UNIFORM CRIME REPORT: Offense	1993 STATISTICS Reported

Possession Dangerous Weapon	1	
Protective Custody	19	2
Shoplifting	3	1
Trespassing	1	
Violation Drug Laws	2	
Warrant Arrests	20	4
	TOTAL ARRESTS - 107	

FEES RETURNED TO GENERAL FUND:	
Court fines & assessments	$11,612.50
Parking Violations	12,220.00
Paid Detail Surcharge	6,924.48
License Fees	1,614.00
Requests for Police Reports	1,070.00
Restitution	240.00
False alarms/billing	1,370.00

Highlights of activities by the Cohasset Police Department during 1993 include, but are not limited to the following:

- I appointed a new Detective, one Sergeant and two new police officers, one of whom will begin on the job in February.
- In March we installed a Mobile Data Terminal into our highway cruiser.
- In May we instituted a billing system for false alarms, according to the by-law, resulting in a 10% decrease in false alarms for the year and the collection of $1,350 in assessments in the first six months.
- In early summer, after nominating the Cohasset Drug and Alcohol Committee for the Drug Fighter of the Year Award, sponsored by the Mass. Governor's Alliance Against Drugs and the Drug Enforcement Administration, they were one of only six recipients of this prestigious award.
- During the summer I requested an early closing for Sandy Beach which precipitated a change in the by-law, transferring the authority to the Board of Selectmen regarding opening and closing hours for the beach lot.
- Also, during the summer, I instituted night firing training classes for our police officers.
- I also attempted to alleviate some traffic problems in the downtown area, namely, the elimination of delivery trucks during business hours and the discouragement of U-turns in the square.
- I might note that the Annual Town Report reflects a dramatic decrease in violent crimes in Cohasset in 1993 and a notable decrease in other non-violent crimes and arrests.

  Although there were more traffic accidents in 1993, there were no serious injuries. I am proud to note that Cohasset has not had a fatal accident since 1986.

Some of the plans I have for the new year include stepping up radar patrols and the addressing of parking and safety issues. We also look forward to our new communications system,hopefully being augmented by E-911. In 1994 the Town will be involved in negotiating a new contract with the Cohasset Patrolmen's Union which will include summer officers.

Respectfully submitted,
Brian W. Noonan, *Chief of Police*

Wire Department

Fire and Traffic Signals

In 1993 one new master box was added to the fire alarm system. Replacement of one thousand feet of alarm wire was installed. Alarm boxes were tested for proper operation and painting was again started. Traffic lights were kept in good working order and new flashing units were installed in all lights.

Wire Inspections

All electrical work performed by contractors was inspected by the department and fees turned into the Town Treasurer.

ELECTRICAL INSTALLATIONS AND REPAIRS TO TOWN BUILDINGS

Repairs and new work to Town-owned buildings and properties was done by the Wire Department.

I wish to thank all departments for their help during this past year.

Respectfully submitted,
Stephen F. Wigmore
Superintendent of Wires

Public Works

Cemetery Study Committee

During the year it became apparent that we could not work out an acceptable access with the abutters for the Pleasant Street cemetery. The committee decided to find an alternative site for a new cemetery. At the 1994 Annual Town Meeting, we plan to present plans for a new cemetery on a portion of the former school facility's land off 3A. Our completed plans for Pleasant Street remain on file.

Respectfully submitted,
Glenn A. Pratt, *Chairman*
Peter G. Laugelle (ex officio)
Mary A. Hartwell
Jane M. Hamilton
Nancy C. Snowdale
Gerard L. Deveney

Government Island Study Committee

Government Island, formerly known as Doane's Island, is probably the most historic 7.37 acres of Cohasset's land area. It is used mainly by the fishermen of Cohasset for landing their catch and maintaining their boats; these activities go on year round. Other activities include recreational boaters, the Sailing Club, visitors who enjoy the atmosphere and history of the Town from this perspective, and Townspeople out for plain every-day relaxation.

The Committee, which consists of five members (volunteers) plus the Harbor Master, make suggestions and advise the Selectmen with recommendations pertaining to the Island's maintenance and improvements. The Selectmen will authorize expenditures, if they feel they are advisable, and in some cases these requests for money are brought before Town Meeting.

During 1993 three meetings were held to discuss:

1. General conditions of the Island
2. Status of the Minot's Light replica project.
3. Discussion of the Historic boathouse presently located on the Hagerty property (now Town owned).
4. Other business.

The Committee firmly believes that Government Island is one of Cohasset's greatest assets -- historically, commercially and recreationally. We want it to be walked, studied, looked at, appreciated and loved by Townspeople and visitors alike.

Respectfully submitted,
Hamilton T. Tewksbury, *Chairman*
Richard P. Barrow
J. Russell Bonetti
Robert M. Davenport
Noel A. Ripley
Shawn E. Kelly, *Harbor Master*

Harbor Committee

The Harbor Committee, during 1993, continued to investigate and make recommendations to increase safe utilization of the Harbor and to provide for fair and effective administration. The highlights for the past year were:

1. Harbor Dredging: After a long delay, we were fortunate to have had some dredging done in the Harbor, thanks to the efforts of the late Philip G. Murray, who got the needed funds allocated by the State, and the perseverance of Representative Mary Jeanette Murray. The dredging was a token of what we now need, but was beneficial nonetheless. Approximately 8,000 cubic yards of fill and 650 cubic yards of rock were removed, which allows for safer navigation in the Harbor.

2. Hagerty Property Acquisition: The Harbor Committee unanimously endorsed and helped to promote the Town's purchase of former Cohasset Colonials property on Parker Avenue to ultimately benefit the waterfront of our Harbor. A representative of our Committee currently is serving on the Hagerty Property Acquisition Committee, which will be recommending the use(s) of this property by the Town.

3. Towing and Storage of Illegally Moored Boats: The Harbor Master has been unable to remove illegally moored boats due to the lack of resources and has had to depend on obtaining a court order, whenever a boat is illegally moored in the Harbor, to try to have the owner remove the illegally moored boat. Many times the court orders have been ignored and it has taken an inordinate effort by the Harbor Master to initiate legal steps to have the illegally moored boats removed from the Harbor. We were successful in arranging for two local companies to take the full responsibility to remove these illegally moored boats from the Harbor at the direction of the Harbor Master and to put them into safe storage at the expense of the owners and without any liability to the Town.

4. New Harbor Master Appointed: We were sorry, as were many others in Town, to have Irving Gadow resign as Harbor Master in June. Shawn Kelly was appointed in August as Harbor Master and has settled in easily to take over from Irv. Shown was previously an Assistant Harbor Master in Scituate, and like Irving, was formerly with the U. S. Coast Guard. We are fortunate to have Shawn on board. Do not hesitate to introduce yourself and add your welcome to him.

5. Storm Warning Precautions Distributed: The Harbor Committee has written a paper with detailed precaution instructions for boat owners to follow whenever a major storm threatens. The paper is being distributed to all mooring holders with their bills. If you would like a copy of this paper, please see the Harbor Master.

Respectfully submitted,
John Pfaffmann, *Chairman (Yacht Club)*

Peter J. Wood, *Secretary (Citizen-at-Large)*
Domenic M. Baccari *(Sailing Club)*
Lorren S. Gibbons *(Commercial Fisherman)*
Shelanne S. Durkin *(Recreation Commission)*
Scott A. T. Herzog *(Commercial Fisherman)*
Gail Parks *(Citizen-at-Large)*
Shawn E. Kelly (ex officio), *Harbor Master*

Highway Department

The cleanup after the Blizzard of '92 kept us busy through most of January and during the remainder of the winter season we were out sanding and plowing twenty-eight times. I am proud of the job that our men here at the Highway Department do keeping our roads safe for travel. My thanks also to the hired contractors who work for the Town of Cohasset.

When good weather arrived we began our road sweeping program and swept and cleaned every street of sand build-up and general debris. During the following months the sweeper was out frequently, keeping the streets clean.

During the spring months we replaced 900 feet of fence on Border Street, 400 feet of fence on Atlantic Avenue and 100 feet of fence on Doane Street. We will be continuing to replace fences around the Town when time allows.

We also installed the new play center equipment at Beechwood Park.

While the weather remained good we worked on the repair and/or replacement of catch basins and rebuilt six more. One hundred feet of connecting pipe was installed also.

The Highway Department was also active in road resurfacing in 1993. With money from state grants we resurfaced sections of King, Sohier and South Main Streets. The Highway Department also reconstructed and resurfaced Doane Street after the completion of the new Doane Street culvert. I was very pleased to see this project finally become a reality. Using 280 tons of asphalt, various roads were grader patched. We were also able to resurface various sidewalks around Town.

All through the year we repaired and replaced signs where needed.

Finally, the year ended the same way it began, with many inches of snow on the ground.

I would like to extend special thanks to my men and to the men from the Tree and Park, Wire, and Water Departments for their cooperation.

Respectfully submitted,
Harold W. Litchfield
Highway Surveyor

Public Works Garage Study Committee

The Public Works Garage Study Committee was formed to study the requirements of and potential sites for a centralized public works facility. Specific tasks to be accomplished include the following

- Review the data and conclusions of the Town Garage Study Committee;
- Review the data and conclusions of the Public Works Study Committee;
- Determine the space needs for equipment and personnel of the various public works functions and operations, including school department and refueling depot;
- Survey the Town for potential sites; and
- Review zoning, wetlands and locational issues of each site.

During 1993 the Committee selected the following three sites for further consideration:

- Assessors Plan 18. Location of the Highway Department Garage behind the Red Lion Inn. This includes 45,785 square feet plus a portion of the municipal parking lot (Plans 27 and 18). These plots back up to the old railroad right of way.
- Assessors Plan 15. The gravel pit land opposite the westerly end of Red Gate Lane and backing up to the Little League Field (part of 8.85 acres).
- Assessors Plan 5. The Transfer Station on Cedar Street (part of 19.13 acres).

As a result of a series of discussions with other Town boards and committees, the Transfer Station was eliminated from further consideration due to safety concerns related to the dangerous intersection of Cedar Street and North Main Street. The location of the existing Highway Department Garage was eliminated from further consideration because it was felt that it would be an inappropriate land use for a downtown commercial area. Preliminary discussions with the Conservation Commission indicated that under certain conditions, locating the garage in the gravel pit area would be acceptable to the Commission. Therefore, this location was selected for further analysis.

At the 1993 Annual Town Meeting an appropriation of $20,000 for architectural and engineering services for a public works garage was approved. In May of 193 the gravel pit site passed water table and perc tests. In the fall the entire area was surveyed by the

Norfolk County Engineers and the locations of wetlands areas and wells were plotted on a topographic map. An architect has been engaged to develop a preliminary conceptual design and cost estimates for the new garage. In 1994, we plan to submit a warrant article for the Annual Town Meeting asking the Town to approve funding for the design and construction of a new public works garage facility.

Respectfully submitted,
Terry J. Atherton
John J. Riley
Bruce A. Edmonds
Peter L. Goedecke
Austin L. Ahearn, Jr.

Sewer Commission

The Town's Waste Water Treatment Facility ("WWTF") continued to operate well in 1993 under the Town's contract with Professional Services Group, Inc. ("PSG"). The Commission went out to bid for a new contract in September, and this was won by PSG.

The Commissioners are continuing their efforts to develop a satisfactory expansion plan for the Town's WWTF together with an expanded service area. To this end, the Commissioners are working with the Department of Environmental Protection and the Division of Marine Fisheries to identify the standards, tests and analyses necessary to demonstrate that the proposed expansion will satisfy State and Federal requirements.

Respectfully submitted,
Edward M. Guild, *Chairman*
Henry A. Rattenbury
R. Gary Vanderweil
Sewer Commissioners

Tree, Park and Cemetery Department

The Department has a capital project every year. This year we did drainage work on the outfield at Beechwood Ball Park.

It was a busy spring for repairing parks and ball fields and mowing. A dry summer and fall caused a lot of damage to trees, parks and ball fields. This required a lot of work in late fall planting grass and caused considerable damage to small trees and new trees. The Department trimmed and cut trees that needed attention.

The Department also concentrated on clearing brush from sidewalks and edges of roads.

I would like to thank all department heads for their cooperation and help during the year.

Respectfully submitted,
Peter G. Laugelle, *Superintendent*

Water Department

Total production from the treatment facility for the year ending December 31, 1993 was 227,270,900 gallons of drinking water. This is an increase over the previous year and is primarily due to an extended heat wave during the summer months. The treatment facility experienced some major equipment failures over the year and anticipates future breakdown due to the advancing age of the purification equipment.

The department has made extensive modifications to its administrative procedures and accounting practices over the preceding twelve months. This has resulted in two computer conversions with the associated delays and confusion. An ongoing program to install outside metering equipment on dwellings with access problems is starting to meet with some success, and will eliminate some estimated bills of long standing.

The department has met and surpassed al requirements mandated by both state and federal agencies, along with the requirements of the Safe Drinking Water Act, as amended.

Respectfully submitted,
Ronald H. Goodwin
William J. Montuori
James R. Sheerin
Commissioners

Human Services

Council On Aging

The Cohasset Council on Aging, established in 1968 by Town Meeting, celebrated its 25th year in 1993. The original purpose of the Council was and continues to be to:

1. Identify the needs and concerns of Cohasset's elderly and retired persons and those approaching retirement age;
2. Design, promote, coordinate and implement services and programs to meet those needs and concerns; and
3. Inform the community and enlist support and participation of all citizens in this effort.

The number of people age sixty plus in Cohasset in 1993 was 1,452, with 19% over the age of 80. This is predicted to be the fastest growing segment of the senior population in the next ten years.

The Council on Aging is directed by a volunteer board. The Selectmen appoint nine members, each for a three-year term. The board is responsible for determining the policies of the Council on Aging in response to the expressed needs of elders in the town through annual surveys,and a careful analysis of local needs, as well as local and national standards of health care, recreation, education and service needs.

The Cohasset Senior Center is located in the Community Center. The board should feel a great sense of accomplishment with the completion of Phase 1 of the expansion project and the rent-free agreement as a result of their hard-working efforts.

The professional Council on Aging staff oversees services and programs. The staff provides information, referrals, and assistance to elders and their families. After major cutbacks in the late eighties and early nineties due to Town budget reductions, the Council is pleased to have a restored budget for FY93. The Center is open Monday-Fridays, 8:30 am - 4:30 pm and many special programs are offered on weekends. In July we extended the lunch program to two days a week and the seniors have enjoyed the varied menu and programs since the program was moved into the beautiful new room of the Senior Center. We have served over 1,800 meals to 120 different persons in conjunction with South Shore Elder Services. Thanks go to 74 volunteers who assist Lindsay J. Guild in making this weekly program such a success. Volunteers provide transportation to medical appointments, shopping trips, day trips, and the Senior Center to 125 different older persons. We look forward to using the new Senior 16-B-2 Van, and to date seven people have signed up to be driving for the new van that will help provide transportation for the disabled living in Cohasset. This van was covered in part by a grant from South Shore Elder Services and it will permit us to enter into a joint venture with the town of Hingham. Both towns will share the cost of operating this vehicle.

Other achievements in 1993 included:

1. S12,500 Grant for "Map-5"for Medical Rides from South Shore Elder Services.
2. Share Program trained and placed nineteen certified councilors. The total number of elders served in FY93 was 382. The documented financial benefit to clients served by the program is S22,405.
3. Outreach teas were held over the past year The purpose was to introduce "Newcomers" to the COA, telling them about our programs and having them meet staff and board members.

4. Through a grant from the Executive Office of Elder Affairs (EOEA), the Cohasset COA was awarded funds for developing our computer system to fill the needs of the growing workload of the director's office, the Shine Program and the Outreach Projects.
5. An Entertainment Center has been built and installed in the meeting room of the Center. This unit was built at the South Shore Vocational School, where our former board member, David Chittim, served on the board.

At the end of the 1993 Fiscal Year, our records indicated 637 persons were served at the Center in weekly classes and special programs. The Council on Aging offers a full range of services for Cohasset seniors. This is largely due to the hard work and effort of multiple volunteers who number over 150, and have provided close to $100,000 worth of service throughout this past year.

The growing percentage (20%) of older senior citizens in town, in particular those who are over 80, and the increasing number of middle aged people who have responsibility for caring for aging parents, guided the reinstatement of the Care Givers' Support Group this year. We thank the Hingham VNA, Norwell VNA, and the five local COA's for their continued support in helping make the support group a successful effort.

We at the Cohasset Council on Aging are proud of our accomplishments this past year, and we look to the coming changes in the world of health and long-term care with renewed purpose. We pledge to do our best to take up the challenges that lie ahead, and continue to advocate for and to serve the elders here in Cohasset.

Our thanks go to our staff, board members, Town employees and the volunteers who joined us in making this past year the great success that it was, and to our financial supporters, particularly The Friends of the Cohasset COA, who have so generously supported our expansion program.

Finally, we wish to thank Glenn Pratt, the Community Center board and their wonderful staff who supported and assisted us throughout this past year.

Cohasset Common Historic District Commission

During calendar year 1993, as in prior years, the Commission met on a number of occasions to consider applications filed with respect to various matters concerning the Cohasset Historic District. For the first half of the year Marian Atkinson and Liz Bates served as Chairman and Secretary, respectively, of the Commission. Upon expiration of their terms, Donald J. Evans was elected Chairman and Mary Larson was elected Secretary of the Commission.

Mary C. Hartshorne

Cohasset Housing Authority

Renovation and replacement work continue at the complex through the state EOCD Modernization Bureau. A new heating system, as well as a new roof, were installed at 72 Elm Street. Smoke detectors were replaced and emergency lights were installed at Harborview. In October a survey of the courtyards at Harborview was made by the Norfolk County Engineers. The ultimate reconfiguration of the courtyards is to begin in the spring of 1994. In this way the Americans with Disabilities Act (ADA) will be addressed with particular attention to the four wheelchair-accessible apartments.

The Harborview Capita Improvement Plan, initiated in 1990, was again reviewed by EOCD. The C.I.P., linked to the Housing Bond Bill, is before the Legislature for consideration this year.

Director Barbara Clain took advantage of an early retirement incentive program and retired in July. Subsequently, the Board hired her back to work through the transition period.

The tenants' organization disbanded in April, with the possibility of reforming in 1994.

A two-year audit of the federal Section 8 Program was completed in May.

The Authority wishes to thank the Highway, Fire, and Police Departments, Social Service League, Visiting Nurses, Council on Aging, Homemakers, and all the agencies that contribute to the health and well being of the residents of Harborview. Barbara Clain wishes to take this opportunity to express her appreciation to all of the board members of all of the boards with whom she has worked over the past fourteen years.

Drug and Alcohol Committee

This year saw the continuation of many programs sponsored by the Drug and Alcohol Committee: Safe Homes, Tag-a-Keg, graduation key rings, educational literature to parents of sixth graders. This year we initiated a discussion of the D.A.R.E. program with the School Committee. It is the opinion of our committee that we need to do more in the elementary schools in the area of prevention, and the D.A.R.E. program is the nationally recognized vehicle for doing so. As a result of our discussions, a new alliance is being formed between the schools and the police department, which we hope will bring police into the schools in a positive way.

Planning for the next Drug Free Weekend is well underway, and promises to be the biggest and best ever. Response from the community is very positive, and the Drug Free Weekend Committee is enthusiastically working to promote this event.

The highlight of the year came when the Governor's Alliance Against Drugs and the Drug Enforcement Administration named the Cohasset Drug and Alcohol Committee recipients of the 1993 Drug Fighter of the Year Award. The committee was the only community organization in Massachusetts to be so honored. Although the committee is still very young, we have been working hard to make a difference in our community. This award was the positive affirmation that what we are doing is being noticed and is making a difference.

The committee accepted with regret the resignations of two of our long-term members. We thank them for their dedication and support and welcome several new members to the committee.

Handicapped Commission

The Handicapped Commission members would like to thank Deborah Richards for her dedicated service to the Commission as Vice Chairman. Deborah provided a unique perspective to all issues brought before the Commission.

A wheelchair accessible van was purchased from the South Shore Elder Services providing a cost-effective way to furnish transportation for all disabled residents of Cohasset. The operation of the van will be a joint effort between the Councils on Aging and the Handicapped Commissions of Hingham and Cohasset. Eighty percent of the cost is federally funded, while the remaining twenty percent will be shared with Hingham on a pro-rated basis. Cohasset will operate the van two days a week and Hingham will operate the van three days a week. Driver training offered by the South Shore Elder Services is free of charge.

The Handicapped Commission has filed for establishment of a non-profit group to be known as "Friends of the Cohasset Commission on the Disabled." This group will assist with fundraising and scheduling of the van.

The Commission has been involved in advising many groups on handicapped access to buildings and parking spaces.

Respectfully submitted,
Michaele A. Buckley, *Chairman*

Paul Pratt Memorial Library

The trustees of the Paul Pratt Memorial Library lost the valuable contributions of long-time trustee Betty Eaton with her death in February. Betty's knowledgeable love of books and of the library, combined with her decisive opinions and good wit and humor, informed trustees' meetings for almost 20 years.

Selectmen and library trustees jointly selected Patience G. Towle, former president of the Friends of the Cohasset Library, to fill the remaining year of her term.

At the start of 1993, Cohasset's public library, the Paul Pratt Memorial Library, had its foot into the 21st century as it went "on line" in the Old Colony Library Network (more on this below). As 1993 began, the trustees believed that, after several years of preoccupation with getting "on line" with the OCLN network, it was time to evaluate seriously every other aspect of our public library operation, with a view to assessing the library's current condition. Such an evaluation would lay the groundwork for setting priorities and guiding budgets.

Trustees' committees. Five subcommittees of the Board of Trustees were appointed in april to consider and report to the full board regarding building maintenance, bookshelves, cooperation with the high school library, grounds maintenance, and development of the endowment. The work of these committees is ongoing, but has already identified projects and programs which will improve library operations.

Building maintenance. An active trustee committee took inventory of the 90-year-old library building and, with the invaluable help of three Cohasset citizens experienced in building design and construction (Richard Grinnell, Richard Tousley, and Charles C. Ford) recommended priority projects to the Board of Trustees. As a result, the trustees will ask the 1994 Annual Town Meeting for funds to repair the building's roofs, gutters, and downspouts, as well as money for repointing and waterproofing the exterior bricks and windowsills.

A Special Town Meeting in Fall 1993 authorized funds for materials for construction of a handicapped-access parking space in the library parking circle. Cohasset's Highway Department will actually construct the space in Spring 1994, which is a wonderful help!

Old Colony Library Network (OCLN). With the departure of the old wooden card catalogue, all Cohasset library users are now really aware that the library's holdings are accessed only through one of the computer terminals in the library. With this has come the realization that the terminals give the user information about the location of all material in the 24 OCLN member libraries relative to the subject, author, or title in which the user is interested. Daily deliveries among the member libraries provide ready availability of materials from other libraries. An electronic circulation system, new at the very end of 1992, has proved speedy and accurate, and most volunteers at the circulation desk have made a good transition to this very different system.

Friends of the Cohasset Library, Inc. 1993 marked the Friends' twenty-fifth year of valuable service to Cohasset's library! As if to mark the birthday, the Friends, led by Suzan Killilea, were awarded FIRST PRIZE by the Massachusetts Library Association for their continued efforts to promote the library within the community. As ever, the Friends helped provide more than 50 volunteers' time to the library, for an equivalent of more than $30,000 of staff work, and continued gifts of family passes to the New England Aquarium, Museum of Fine Arts, Museum of Science, and Children's Museum. In

1993, the Friends also sponsored a standing-room-only lecture on the market for old and rare books by Kenneth Gloss, and initiated on-going art exhibitions in the library's Reference Room. Cohasset's generous support of the Friends has produced significant rewards to its library.

Surplus property. In addition to the Paul Pratt Memorial Library Fund mentioned above, two other funds were added to the endowment in 1993: one in memory of Frederick L. Good, Jr., a former board member of the Friends, and the second in memory of Elizabeth F. Eaton, long-time trustee. Friends and and families contributed gifts in their memories to be added to the library's endowment, with the annual income from each fund to be used for the purchase of books. Bookplates in memory of the deceased will be placed in books purchased from the income of each fund.

In 1993, additions to the library's endowment total were $15,402. Income from the endowment of $11,924 was used for book purchases in support of the budget for Fiscal Year 1993.

Other gifts. In 1993, other monetary gifts to the Paul Pratt Memorial Library were made in memory of Deborah Anton, Max Maire, Ruth Pratt, Margaret Bates, Helen Gould Tower, and Robert O'Hayre. These gifts have been used to purchase books, with bookplates naming the deceased placed within. In addition, The Hingham Historical Commission gave Cohasset a copy of the new history of Hingham, and the South Shore Health and Educational Foundation and June Hubbard donated seven videotapes in the Health News series to the library.

1993 has been another good year in the history of Cohasset's library, ably directed by Richard E. Hayes. Taxpayers, of course, provide basic support for the library. While the library budget represents less than 2% of Cohasset's budget, roughly three-quarters of Cohasset's citizens use the library. In addition, the library happily continues to receive the devoted efforts of staff, trustees, volunteers, and Friends, and to be the beneficiary of the financial generosity of many. All contribute to making it "a gem of a little library."

Respectfully submitted,
Sheila S. Evans, *Chairman,*
Trustees of the Paul Pratt
Memorial Library

Recreation Commission

It gives us great pleasure to report to residents the activities of their Recreation Commission for the year 1993.

During the year, 6,975 individuals of all ages participated in a variety of structured programs, activities and events. While budget restrictions persist, continuing latitude of use of the Revolving Account Fund for 100% Self-Supporting Programs has been possible due to the legislative modification of the RAF laws and guidelines. Currently, all but two programs are RAF sponsored, causing no impact upon taxpayers. The Recreation Commissioners adopted an Administrative Service Fee charge to all RAF programs during Fiscal Year 1992, and this financial system continues to reimburse taxpayers for the costs and time encumbrances of RAF Program operations. That is, the ASF revenues are deposited into the General Fund of the Town. Collectively, it is the revenue produced via Administrative Service fees, coupled with budget sponsored programs and beach parking sticker sales that reimburses taxpayers for the budget of their Recreation Commission. Only revenue on deposit in the General Fund can be considered recapitalization revenue.

During Fiscal Year 1993, the Recreation Commission produced for the General Fund $63,031.23. Concurrently, during the same period, $81,184.10 was transacted via Revolving Account Funds for 100% Self-Supporting Programs via fees charged participant for a variety of services. Another $9,000.00 was transacted via other self-supporting financial systems during F.Y. 1993, manifesting a collective $156,415.33 of recreational services to residents from the $66,963.00 budget of the Commission. These figures do not include the thousands of man-hours that are annually donated by hundreds of residents, in support of a variety of program operations.

Municipal recreation is for the benefit of all residents and we continue to direct our efforts towards assurance of equal access and opportunity to the entire community. To this end, a specific and calculated portion of revenue was not collected this year from residents who were temporarily unable to pay full fee charges for services. In many instances time was volunteered in lieu of full fee payments, benefiting the department and participants of programs.

Programming represents only one of the responsibilities, duties, and functions as prescribed and conferred upon the Recreation Commission by both Massachusetts General Laws and By-Laws of the Town. Continuing efforts are focused upon upgrading and renovating existing outdoor recreational facilities under the jurisdiction of the Commission.

It has been and continues to be through a blending of private and public resources and funding that most facilities have been upgraded and/or renovated. Numerous Town departments and officials have continued to support our efforts in this area, for which we remain enormously grateful.

The seven member, elected board of Recreation Commissioners volunteer their services to the Town and department, meeting regularly (on the third Tuesday of each month), in order to discuss a wide spectrum of topics relative to the leisure needs and pursuits of all residents. Further, the Commissioners establish policy and provide departmental direction, support and assistance. Each meeting is publicly posted at least one week prior to date and residents are cordially invited to attend and participate in any meeting. Essential to our proper function, and absolutely vital towards success, is the ability to remain responsive and dynamic to changing community needs. We consider your input and feedback our most important source of guidance.

The Recreation Commission wishes to acknowledge gratitude to the many individuals, civic and business organizations, school and sports groups, Town boards, committees and departments who have lent their support and assistance in our efforts to best serve the recreational and leisure needs of residents of all ages. While too numerous to mention, none are forgotten and all are sincerely appreciated and thanked.

Social Service League

The Social Service League, under contract with the Board of Health, offers Public Health Nursing services to Town residents. The services include: monthly Keep Well Clinics, health promotion and education programs, and communicable disease report follow-up. The League office at 16 Highland Avenue is open for blood pressure checks, diabetic screening, tuberculin testing and general health consultations. The walk-in office hours are Monday, Wednesday and Friday from 8:30 a.m. to 9:30 a.m. and 12:30 p.m. to 1:30 p.m.

Our monthly Keep Well Clinics are held at the Senior Luncheons and Harborview senior citizens' housing. These clinics are open to all Town residents.

Other activities this year included: Our Annual Health Fair in May, a mammography screening in June, two Flu Clinics in October, participation in the Town's Drug Free Weekend, taking part in the newly formed South Shore Public Health Nurses' Association, and Hep B Immunization Clinics for Police and Fire Departments. Community education programs included: an Eating Disorders panel discussion at Cohasset High School; Women's Health Issues with Dr. Alice Rothchild, and a follow-up Eating Disorders program for parents and teachers.

This year, for the first time, the Board of Health made pneumonia vaccine available to our over-65 residents free of charge. More than sixty seniors have been vaccinated to date.

We continue to cooperate with the Council on Aging, the Cohasset Schools, and area physicians to provide and promote optimum health care for our community. We thank all volunteers and community groups who have helped us in the past year.

Activity	Attendance

Public Health Nurse

Education

School Committee and Superintendent of Schools

We are pleased to submit the 1993 Annual Report for the Cohasset Public Schools.

This was an historic year for education in the Commonwealth of Massachusetts. On June 18, 1993 Governor Weld signed into law Chapter 71, the Education Act of 1993. The intent of the Act is to systemically reform education in our state. The Reform Act addresses four major areas. They are:

1. Students and Education Programs
2. Educational Personnel
3. Local and State Governance
4. Finance

Highlights of the Act include that beginning with the class of 1999 any student who does not pass a competency test will not be granted a high school diploma. Individual schools and school districts will be evaluated on an annual basis. Curriculum frameworks will be established in mathematics, science and technology, history and social science, English, foreign languages and the Arts. Student performance on a broad range of competencies will be assessed in grades 4, 8 and 10.

Principals now have the authority to expel any student who is found on school premises or at a school sponsored event in possession of a dangerous weapon or a controlled substance. Smoking is prohibited by anyone at any time within school buildings, at other school facilities or on school buses.

Teachers will no longer be granted lifetime certification. All educational personnel will be required to renew their certification every five years. Renewal will require docu-

mentation of ongoing professional development. Tenure has been abolished and replaced with the professional teacher status. Professional teacher status is achieved after three consecutive years of successful employment.

The role of the School Committee has been reaffirmed as a policy making board. They now appoint only the Superintendent of Schools and the Assistant Superintendent of Schools. Control of the budget process, however, still remains under their jurisdiction. The responsibility for hiring and terminating all personnel within a school building is the responsibility of the Principal.

Within each school a School Council must be formed. The Council will be composed of:

1. School Principal
2. Parents elected by other parents
3. Teachers elected by other teachers
4. Other community members who are not parents of children in the school
5. Students at the secondary level

The School Council will assist the principal in setting goals for the school. It will also identify educational needs, review the budget and prepare a school improvement plan.

The purpose of the financial section of the Education Reform Act is to distribute more equitably education funds. It attempts to ensure that all students, no matter where they reside, will receive an adequate education.

While the Education Reform Act has the promise for promoting meaningful educational change, we must continue to move forward at the local level.

For the present year we have established the following goals:

A. Implement new teacher evaluation system
    1. Provide training for all evaluators
    2. Conduct orientation to evaluation instrument for all new staff members
    3. Provide opportunity for training in evaluation methodology for staff members

B. Evaluate Inservice structure
    1. Administer evaluation instrument at the conclusion of each inservice program
    2. Review evaluation data collected
    3. Meet with Inservice Committee to evaluate effectiveness of inservice programs
    4. Prepare report for School Committee

Curriculum

A. Implement recommendation of Science Curriculum Review
    1. Meet with Elementary Science Committee members to study the science review recommendations and identify aspects that may be addressed for implementation
    2. Integrate recommendations into the school improvement plan developed by each school council
    3. Emphasize the coordination of the science and math program at the Junior/Senior High School

B. Implement the Cohasset Technology Plan
    1. Coordinate the construction and development of a technology computer lab at the Osgood School
    2. Introduce new technologies into the library program3. Design a renovated computer lab at the Deer Hill School

C. Conduct study of Deer Hill Grade 5-6 Team Teaching Program

1. Organize study committee consisting of school administrator, teachers and parents
2. Review present programs
3. Made recommendation, if appropriate, for program modification

Alternative Financial Resources

A. Work with Local Education Foundation to identify corporate funding and/or other private sources of financial support for school programs
   1. Superintendent will continue to participate as an ex officio member of the Board of Directors of the Cohasset Local Education Foundation

B. Explore possible regionalization of educational services
   1. Superintendent will continue to be a member of the South Shore Educational Collaborative Regional Services Committee

Education Reform

A. Implement Massachusetts Education Reform Act of 1993
   1. Establish School Councils at the Osgood, Deer Hill and Junior/Senior High Schools
   2. Prepare revised student handbooks
   3. Submit a plan to eliminate "general track"

We are also pleased to note that a three-year contract has been ratified with the Cohasset Teachers Association. Because of the cooperative spirit exhibited by both parties to the negotiations, a final contract was agreed upon which recognizes both the fiscal limitations of the Town and the need to realistically compensate our teachers.

In June we were informed by School Match, the nation's largest school selection consulting firm, that the Cohasset Schools had been chosen as a recipient of the 1993 "What Parents Want" award. Only 9 percent of the nation's public schools qualified to receive this award.

We would like to thank all who support our school system. With the active involvement of the community we will continue to strive for excellence in our schools.

Respectfully submitted,
COHASSET SCHOOL COMMITTEE

South Shore Regional Vo-tech High School

And finally, it's a reality!

The long-awaited facility addition and improvements to the South Shore Regional Vocational Technical High School has ushered in an era of positive enrollment growth and the promise of even more responsive educational and community service to its district

towns. Now in the thirty-first year of serving southeastern Massachusetts, South Shore continues to position itself as a leader in vocational education and as a district resource, preparing students and area citizens for the fast paced and ever changing challenges of a diverse and highly technical present and future workplace. In areas like construction, manufacturing, automotive technology, and medical and services industries, the need to maintain current, state-of-the-art and flexible education and training has never been greater. As our society and work markets continue to experience change, our young people must be prepared to hit the road running.

On January 3, 1994, the formal completion of the building project begun in December, 1992, was symbolized by the opening of classrooms and shops for student use. While finish work continues to be done, students enrolled in Cosmetology, Culinary Arts, Drafting, Electronics, Electrical, Graphic Arts and Auto Body programs experienced the opportunity of attendance in a brand new state-of-the-art facility. The opening of the new hair salon, restaurant and lecture hall facilities provides not only for student learning opportunities, but public participation and enjoyment in environments of which the district communities can be deservedly proud.

While serving primarily area secondary school students, South Shore continues to be truly a community school. Continuing Education and Business Partnership programs serve in excess of 300 adult learners, many acquiring new skills, enhancing existing ones, or simply exploring an interest or avocation. In any event, the message delivered to all is the importance of learning being a life-long and critical component in our lives.

In November, South Shore welcomed twenty-three fellow vocational educators representing the New England Association of Schools and Colleges. This three-day evaluative visit culminated a year of intensive staff and program self-examination, the first of this type in ten years. While a formal report is not due until Spring, 1994, the feedback provided will assist in the ongoing process of curriculum review and development, programmatic direction and overall services to students.

A critically important component to the comprehensive nature of educating the young people of the South Shore District includes giving back to the community and involving students and staff in community service activities. To this end, South Shore Vo-Tech continues to perform a multitude of work related and community directed roles. Some are truly "open to the public" and are of service to citizens of the entire area. Some have become industry and business specific, as has been seen in business partnerships and in South Shore staff serving as consulting advisors and trainers to companies, local agencies, or employment groups. Still others are often community specific. A large contingent of Cohasset senior citizens joined with their local towns' mates at a wonderful holiday dinner in December, sponsored by South Shore student organizations and Student Council. Vo-Tech's carpentry students constructed a beautiful entertainment center in memory of former district school committee member David Chittim, which is housed at the Council on Aging Center in town. Additional examples of extensive community/school responsiveness will be in evidence for years to come, seen in the work done on the historically significant "Lightkeeper's House" in the Harbor, as well as through the assistance rendered by the electrical instructors and students in recent area Habitat for Humanity construction. Partnerships, linkages and assisting in a variety of technical and service ventures are indicative of the kinds of cooperative relationships with district towns toward which South Shore continues to strive.

Academically, as well as technically, South Shore is in constant pursuit of excellence. In addition to NEASC recommendations upcoming for consideration and implementation, staff at South Shore strive to attain the best possible curricular relevance and integration of learning for their students.

Added focus to "Tech Prep" articulation curricula developed with area college representatives is gaining more and more impetus and broadened scope. Life-long learning and the need to prepare for constant change in the workplace are obvious goals. Another that

has been gathering momentum locally, as well as on the state and national fronts, has been the recognition that the all important school to work and career transition is of critical significance, not only to each individual, but to our economy as well. South Shore stands ready and willing to help our students and communities prepare and keep current with the workplace and economic demands important to all of our futures.

Currently there are 460 students enrolled in the school, and as of October 1, 1993, two students from our town are enrolled in one or more of the fourteen programs currently offered at the school.

Superintendent James Hager and his administration, the staff and students, School Committee and advisors to the South Shore Regional School District welcome the challenges facing our area towns, and pledge their efforts toward providing productive educational opportunities at the school. South Shore has been proud to serve the community of Rockland and the region over past years. We appreciate your support and encouragement and look forward with eager enthusiasm to future success in delivering quality vocational technical programs to our children in a truly comprehensive educational environment. In doing so, citizens of Cohasset and the entire South Shore community are able to benefit.

Respectfully submitted,
Laurence J. Mitchell
Cohasset Representative

Regional School District Planning Committee

Our Committee completed its financial assessment of regional school district options. This process involved examination of the key changes to facilities, personnel costs, operating expenses, and State Aid for regional school districts. Working with our counterparts in Hingham and Hull, and with the cooperation of the three towns' Superintendents and various town agencies, we have concluded that:

* the operating economies and State Aid incentives for a regional district would be largely if not fully offset by the costs of new construction, transportation, and salary schedule reconciliation;
* numerous opportunities for regional efficiencies exist and are being pursued aggressively by our three towns through the Superintendents' efforts. These include the South Shore Collaborative, the Lighthouse Project, and informal group purchasing efforts;
* additional opportunities for cooperation with other towns may result from increasing contact among the various towns' School Committees, administrators, faculty, etc.

Based on these findings, we have recommended to the Selectmen that our Committee be dissolved.

Respectfully submitted,
James C. Kirk, *Chairman*
Mary Jane McArthur, *Secretary*
